Muir's new gymnasium, a beautiful addition to our campus, is considered to be one of the finest in Southern California.

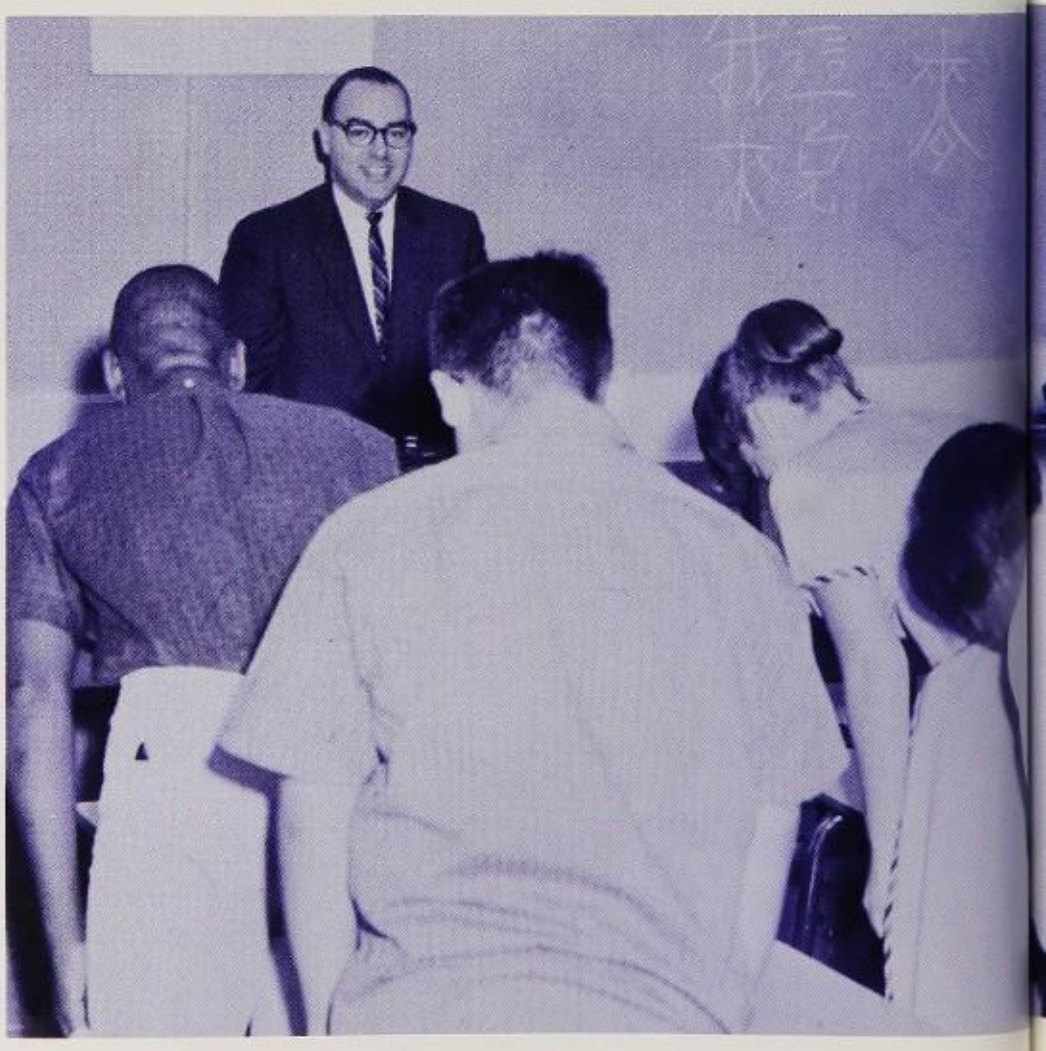
# Focus: Mighty Mustangs

TEARING DOWN OLD gym put focus on the completion of the construction project.

A year to be proud of—1964 at John Muir High School! Spirited Mustangs showed their appreciation of a long-term building and rehabilitation project by literally "going to work." Students took shovel in hand to build a new outdoor quad and amphitheater on the plot of the old girls' gym.

Interest in clubs and activities reached a new high as over ten new clubs were formed, ranging from skiing to Chinese. Parents became "Boosters" as this group turned out in larger numbers than ever to support Muir's athletic program. School spirit soared with a league-leading football team backed by an enthusiastic pep squad which promoted traditional Mustang spirit.

TRANSFER OF GAVEL to fall ASB president, Alex Crowley, began the focus on student government.



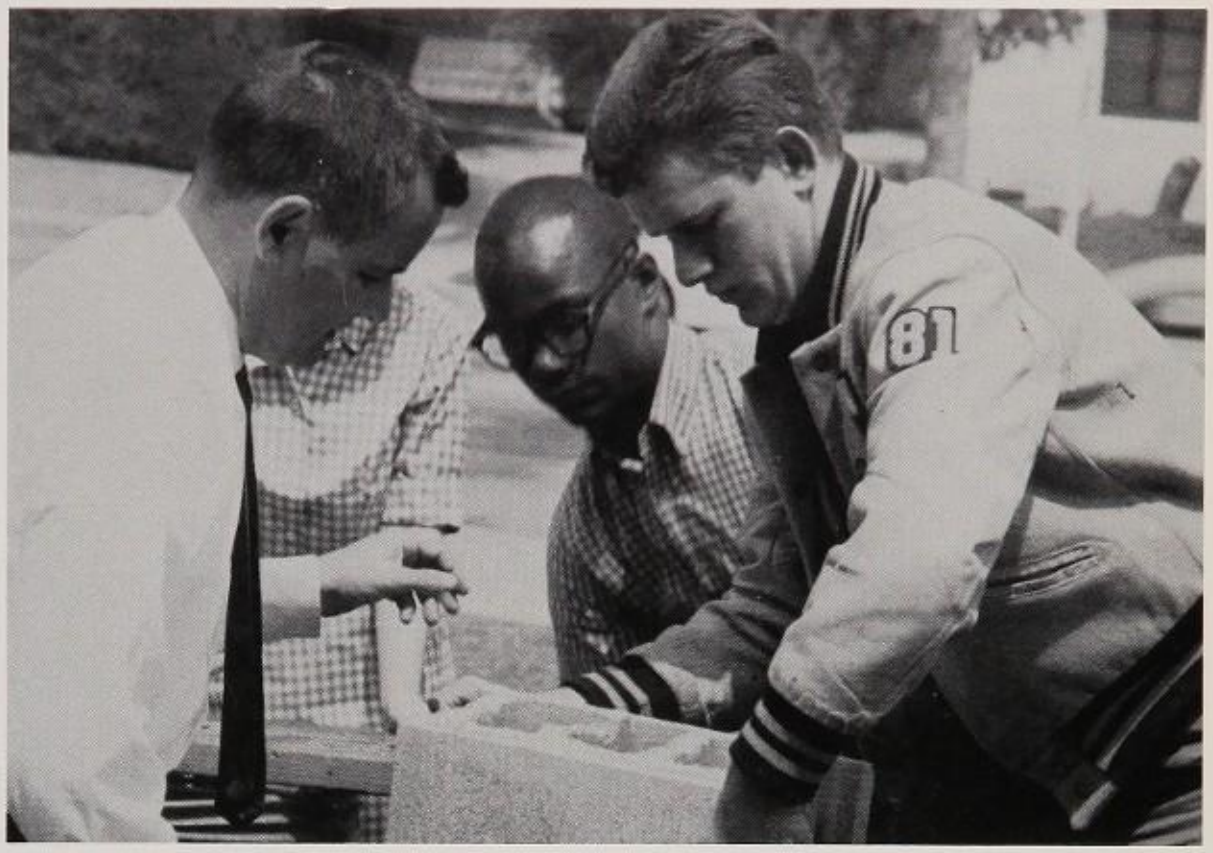
FOCUS ON ACADEMICS was exemplified by offering for the first time, a Chinese language class, taught by Mr. Norman Nathan.

# Accomplish More in 1964

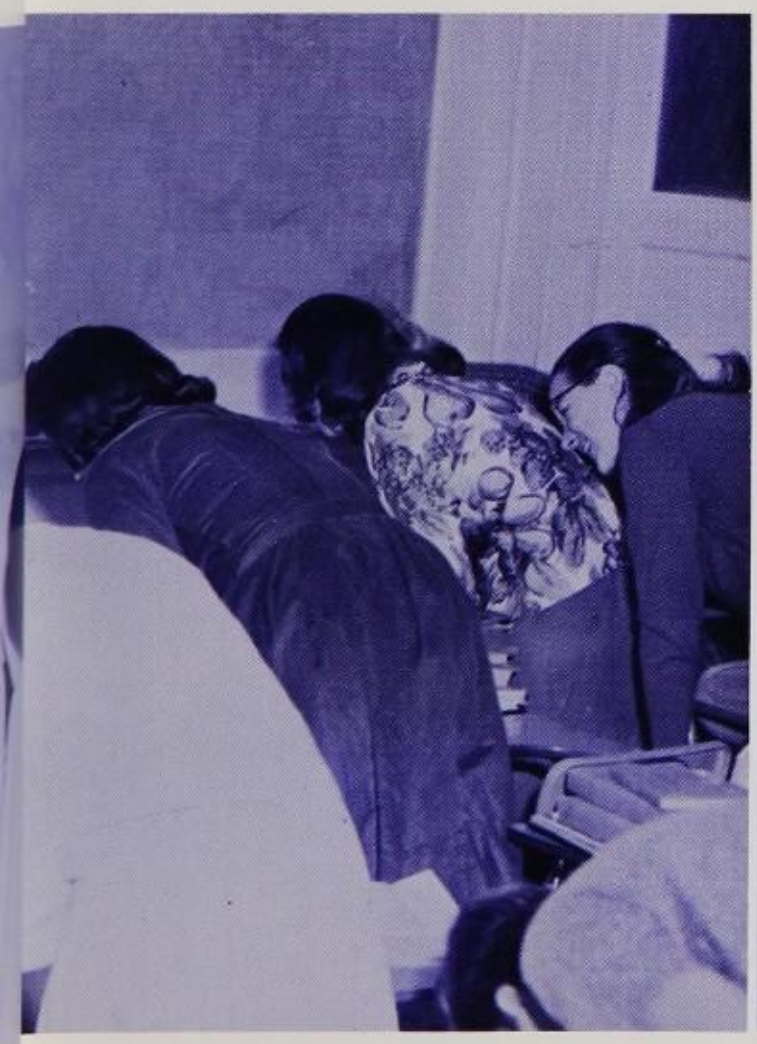
The *Blazer* rated All-American from the National Scholastic Press Association. The band, orchestra and choral department gave masterful performances to student and community audiences, while the art department provided open displays of student talent.

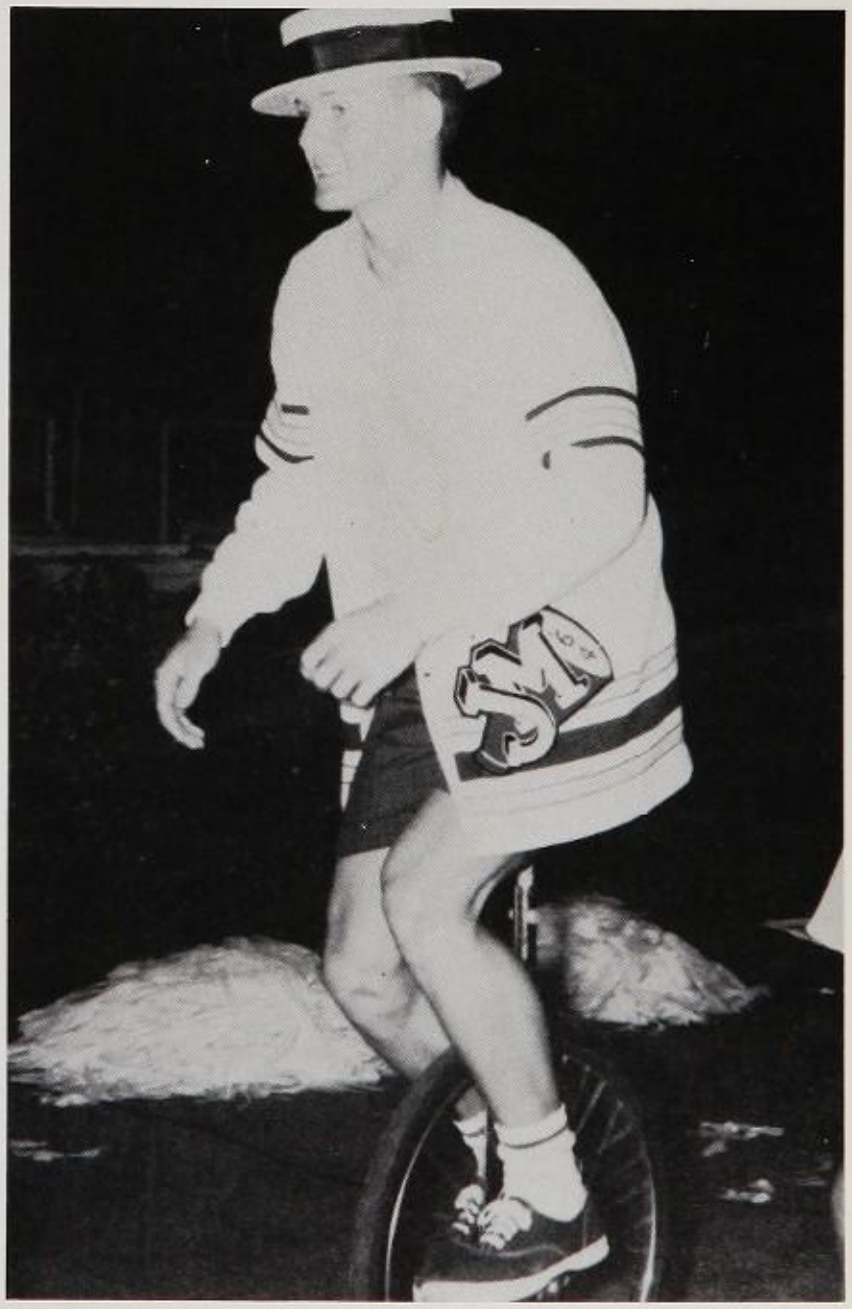
Emphasis on keeping up with the times was exemplified by the addition of Chinese to the language department, already offering five major languages including Russian. A new secretarial lab provided the latest teaching methods with modern electrical equipment.

Fall and spring ASB government focused on more benefits for all students; active commissions enriched campus life.



STEVE SCOTT ASSISTS Ray Sharp in building the wall of '63.





UNICYCLING CHEER LEADER Lane Hauck helped put focus on more pep than ever.

**Hail Alma Mater . . . Blue and**

# Aspiration

Presenting a high standard in academics, initiative and school spirit are the student leaders at Muir, focusing their efforts on beneficial accomplishments for the school, as well as personal achievements.

Students work diligently with the administration to keep the government running smoothly, and with each semester comes a sense of fulfillment and a grateful thanks from the faculty and fellow students whom the student leaders represent.

LEADERS IN ACADEMICS, student government, human relations and administration are the vanguards of Muir's highly honored standards.

# Accentuate High Scholastic Standards

A deep interest in the Pasadena City Schools and a willingness to devote time fulfilling their needs are characteristics of the Board of Education and Superintendent of Schools. One of the foremost reasons for the Pasadena City School System's success lies with Dr. Robert E. Jenkins and his four assistants: Miss Grace McFarland, Dr. Edgar C. Egly, Dr. E. Howard Floyd and Mr. George W. Norene. Led by Steve Salisian, the Board works in conjunction with the superintendent and his staff to choose competent personnel, approve courses of study, govern the operations of the school system and establish general policies.

Much of the credit for so successful a year goes to Dr. John A. Venable. A keen sense of humor, patience and a willingness to consider each student's problem, be it large or small: these are just a few characteristics of the man who guides the steps of John Muir. Dr. Venable's school spirit and participation are illustrated by his meeting with the Student Advisory Board and Administrative Council, as well as his interest in every student. He has focused his efforts on maintaining Muir's fine academic standards and making the year successful both for the school as a whole and for each student individually.

# Stimulate Greater Student Achievement

Directing Muir along the way to a successful year in 1963-64 were four active and well qualified assistant principals: Mr. Richard Cordano, Mrs. Lorrayne Zeutzius, Mr. David Blair and Mr. Harrie Whitney. They strove to make the student government, clubs, Boys' and Girls' League and all other student activities the best ever.

Mr. Pat Geyer gave important advice as a work-placement counselor, and he, along with Mr. E. M. Stone, Miss Doris Josephson and Dr. Allen Webb, worked together to help students achieve a variety of worthwhile goals.

# Helping Muirites

Muir is fortunate to have such an outstanding counseling staff. Its guiding hand is an invaluable assurance throughout a student's years at Muir. Not only sponsoring class activities and Class Councils, counselors also give unselfishly of their time, changing programs, adjusting new students to Muir's high school life, and most of all, being a good friend to whom a counselee may turn for advice.

Throughout the first two years at Muir, sophomores and juniors are kept up to date on the new classes and clubs open to them. But it is in the senior year that counselors become most important to most students. At this time, seniors must begin to make plans for the future. Helping to determine these plans are tests such as the National Merit, the PSAT, and the College Boards, which are organized and evaluated by the counselors.

# Honor Classes

Frank R. Walkup Library provides valuable source information, as well as interesting fictional material for students' use before school, during lunch and after school. Library facilities are also used for class work, when a studious atmosphere is needed for special projects or term papers.

For students who excel in the special fields of chemistry, physics or English, there are honors classes. Providing a stimulating atmosphere for accelerated pupils, honors classes more readily prepare one for the specialized fields in college. Mrs. Brenda Register teaches honors English; Mr. John Stanton, honors physics; and Miss Sylvia Ranny, honors chemistry, which continues after school hours.

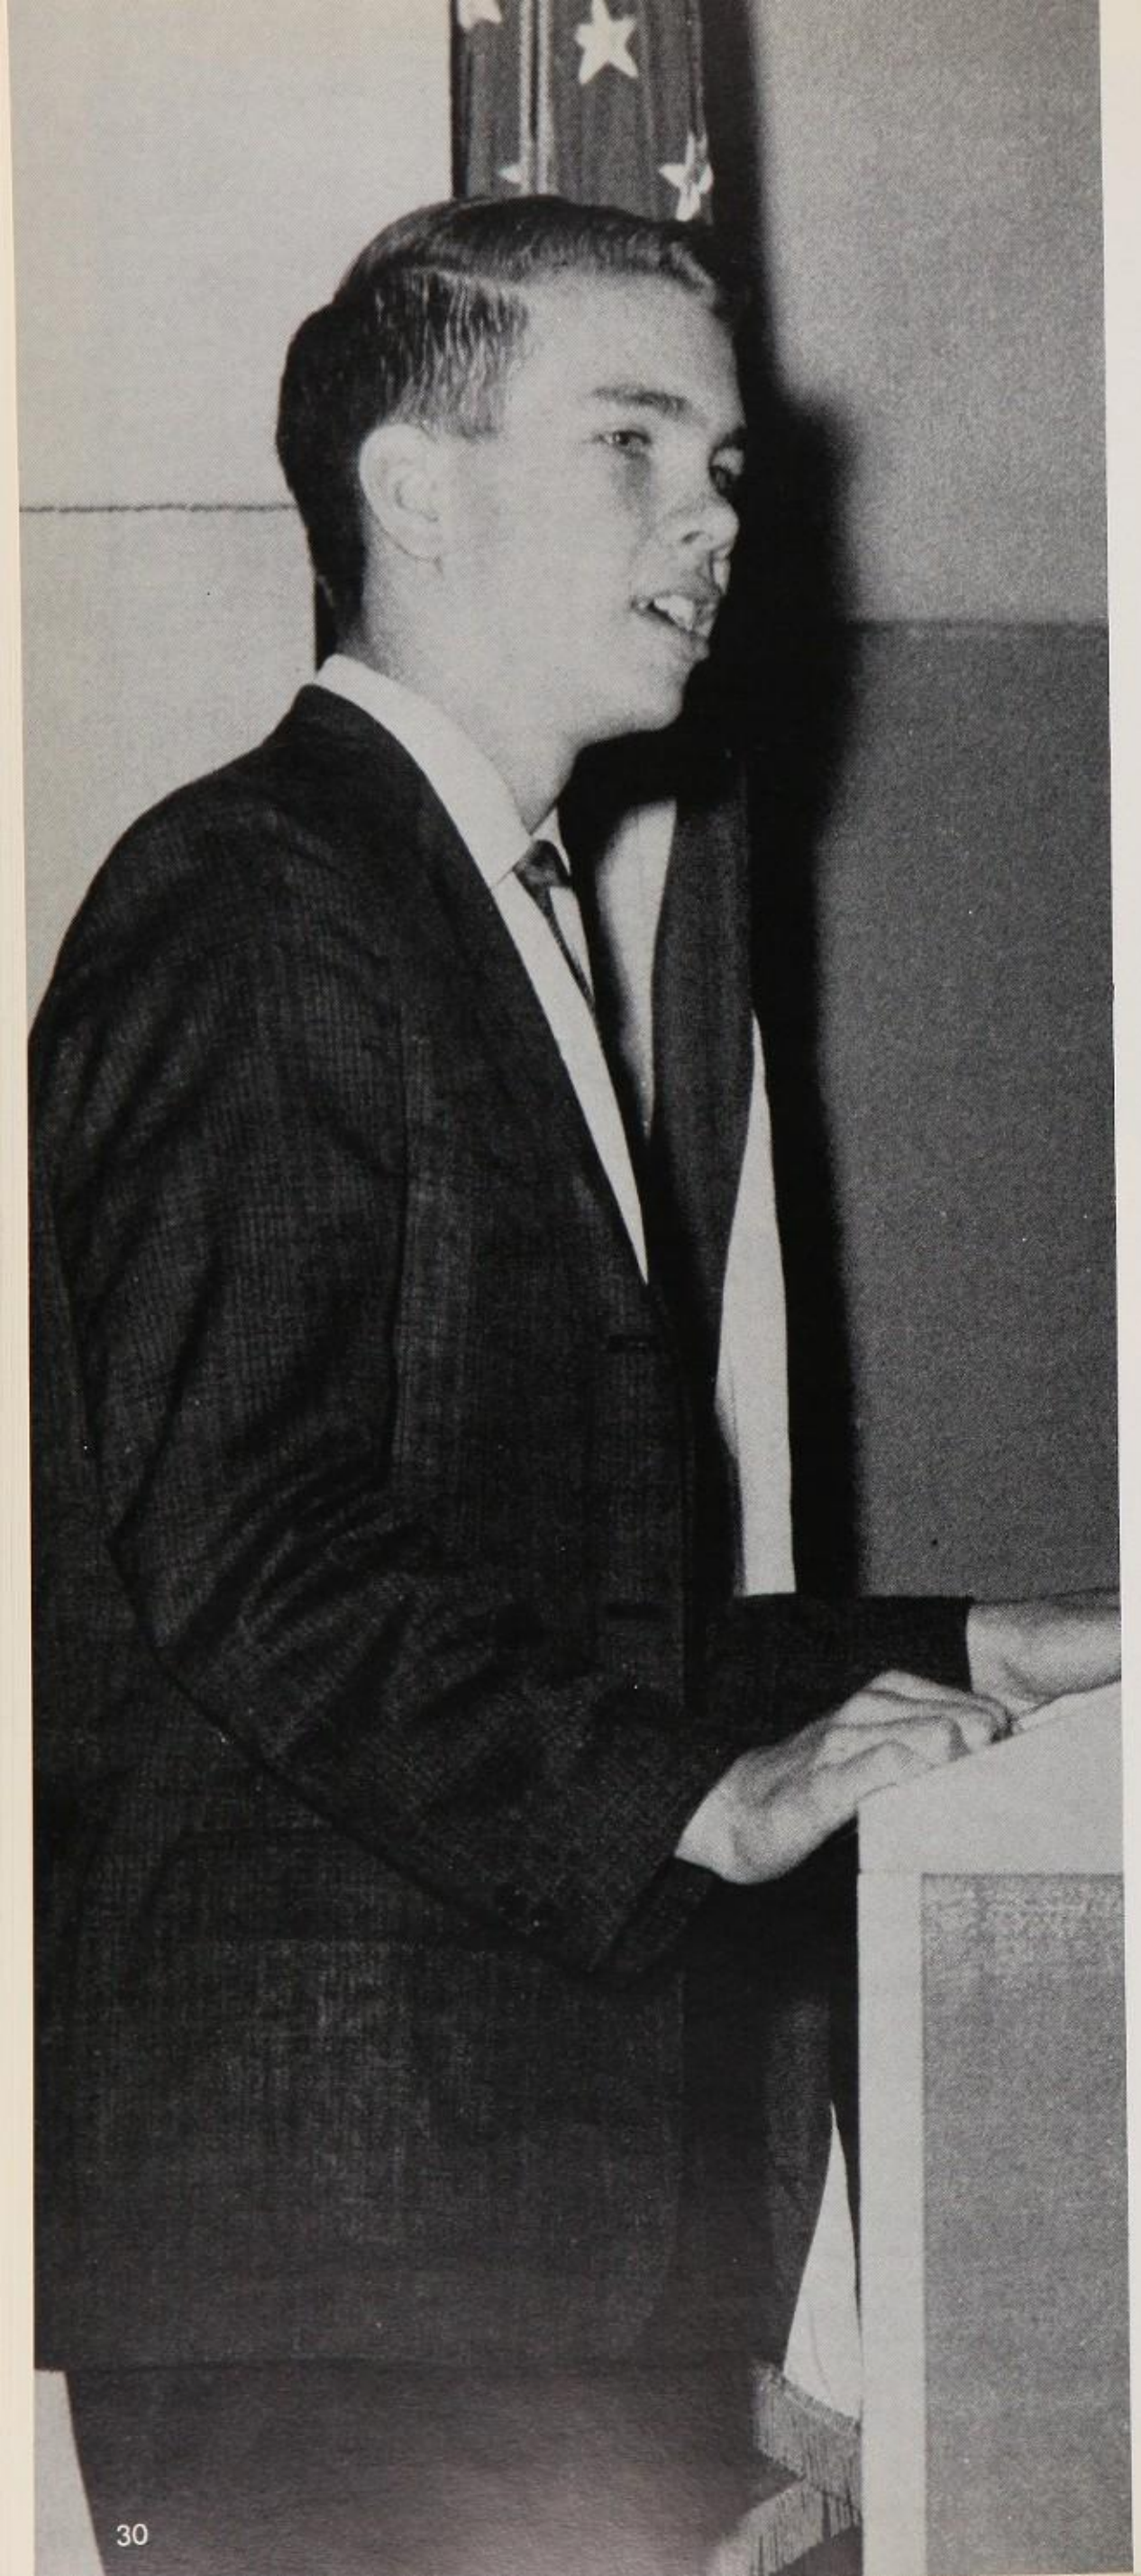
# . . . September, It's Hello Again

MRS. DOROTHY GLICK prepares a slide for microscopic study in her advanced biology class.



All of us remember the day Jackie Robinson came home to Muir. Jackie's career and good fortune have become a symbol for all Muirites, and Jackie is not alone. Warren Dorn and other alumni have met with success. It is this continuously superlative student body graduating from Muir which has inspired the formation of the Muir Alumni Club and made the future of that organization so bright.

But we're not waiting for graduation. We're becoming better citizens now. On the football field, at a conference on morals, in self-motivated safety and litter campaigns, or wherever it may be, we are preparing for tomorrow by becoming more aware of our responsibilities today.

Yes, we are not waiting for the future. We are striving, we are accomplishing right now. In a sense, the collective effort to build our quad is a standing symbol of our individual aspirations and accomplishments here at Muir.

With all our accomplishments, as individuals and as a school, we have not become self-centered. Honoring retiring Pasadena Police Chief Morris, and improving off-the-athletic-field relations with PHS, we have shown this to be true.

This high school has made and still is making its mark in the world. Pasadena is now famous for three things: The Tournament of Roses, Little Old Ladies, and John Muir High School.

Now it is for Muirites and the Youth of America to lead their communities. Now it is for the Mustang spirit of benevolence and excellence to permeate the world.

# Spring Semester

Anyone who has had the opportunity to be in touch with one of the various aspects of student life, whether it be in academics, athletics, fine arts, publications or student government, is sure to have noticed the spirit and the enthusiasm with which each member of the student body tackles his duties and responsibilities.

This year's student body has undertaken many arduous projects. Perhaps the most formidable of these tasks was the Quad. We have left upon John Muir an outstanding landmark which will be used and enjoyed by all who attend here in the future.

In academics our thirteen National Merit Finalists and many CSF Sealbearers illustrate our excellence. In fine arts our choral, music and drama departments have brought continuous honors and awards. In athletics, we're champions in every sport in which we compete.

The key word to describe this year's student body is "achievement." Everyone of us has achieved the goals which we have set before us. Those of us who are seniors know that this success came through endless committee meetings, hours of planning and discussion, hundreds of phone calls and the inevitable setbacks. But we experienced the thrill of accomplishment when the job was done.

As for myself and members of my cabinet, we are *all* proud to have been a part of this fine school and know the successes which it represents. We wish to thank all of you, administration, faculty, and fellow students for your support and guidance. I hope that we may have contributed in some small way to the achievement and success which is typically Muir.

Muir's ASB cabinet continued furthering the name and good will of John Muir this year. Their operational and installational duties included promoting good citizenship and sponsoring social functions.

The Youth Council at Muir co-ordinates community youth organizations, activities and establishes channels between youth and adults. This year the council has been mainly concerned with the problem of shoplifting.

The Student Court at John Muir is the judicial branch of government. A new project this year was a complete examination of all codes and constitutions for their inclusion in a "Book of Laws" to be placed in the library.

Co-ordination of all club activities and promotion of unity in the club program is attributed to the Inter-Club Council. This fall, the ICC sponsored Club Opportunity Day and a clean-up campaign. Spring activities included all-club picnic, moving of Torii Gate and a giant spring club membership drive.

Composed of a cross-section of students here at Muir, the Principal's Advisory Council met regularly this year to present student recommendations and ideas concerning improvements at Muir to Dr. John A. Venable.

# Committee Efforts Determine

ALUMNI CLUB MEMBERS, Mickey Ziol, Bruce Elgin and Dave Burton fold Blazers to be mailed to members graduated in Class of 1963.

Perhaps the most valuable students on campus are the committee members. Far too often, the great amount of work that is demanded of the committee members, especially the chairman, is never fully appreciated. Working without thought of recognition, it is their interest, enthusiasm and effort that determines the success of a class or student body.

1964 brought the formation of the Alumni Club and Quad Committee. Both of these groups have exerted an influence on the spirit of unification within the school. In addition, Muirites have also benefited from the continued outstanding achievements of the Senior Class Philanthropy and Senior Prom Committees as well as ASB forums.

ASB PRESIDENT ASPIRANTS Jeff Parrish and Dan Wingard offer opinions in the forum presented by the Civil Affairs Commission, which attempted to better acquaint voters with candidates.

# Officers Focus on Final Year

Throughout the fall semester, the Class of 1964 concentrated its efforts toward money-making projects. Under the direction of President Jeff Parrish, the year began with the traditional sale of senior calendars. As the successful football season progressed, seniors added to the tremendous school spirit with the sale of Muir buttons. Homecoming week included Alumni Day, the sale of mums and the Homecoming Dance following the Turkey Tussle. The final money-making effort was a hootenanny in January.

Spring brought President Lane Hauck, who led the way to a successful final semester. With numerous committees laying the groundwork, proceeds from their efforts contributed to the Senior Prom, the senior gift and service projects.

All the efforts of the Senior Class culminated with graduation activities. Graduation week included an inspirational Baccalaureate service, the traditional Senior Breakfast and graduation exercises at the Rose Bowl. The final activity was the Senior Prom held at the Beverly Hilton June 18, with "Until We Meet Again" as a most suitable theme.

# Provide Leadership

Under the leadership of fall President Greg Johnson, the Junior Class sponsored the traditional Hi-Day Dance. This social event, held this year in the second week of school, provided the opportunity for students to acquaint themselves with each other after the long summer. As the semester and unbeaten football record progressed, members of the Junior Class sponsored a successful pen sale which contributed to the money-making efforts put forth by the Class of '65 during the first semester.

Second semester elections brought Walter Dominguez to the executive position of the class. With the excellent guidance of Counselor William Simmons, Walter led the class in an atmospheric Junior Prom with the theme "Venetian." Throughout the semester, students carried on active work in the various class committees. A unique financial venture, a pizza sale, was held at the close of the year.

# Give Incentive to Class of 1966

The Class of 1966 began its first year at Muir with a successful orientation program, at which students were introduced to the high school by junior and senior officers and the administration.

Elections for sophomore officers followed the opening of school, and Wayne Omakawa was elected fall president. Wayne led the class in a successful "Lick Pasadena" sucker sale during the homecoming week activities.

Students interested in philanthropy spent many hours at the Jefferson Home for Mentally Retarded Children. Welfare at the Home was continued throughout the year.

With the coming of spring, sophomores elected Steve Neutzel to serve as President. Under his leadership the traditional Sophomore Sweetheart dance was held February 14. The theme, "Heart's Fascination," proved a perfect setting for the dance, which was held in the girls' gym and around the pools.

The Class of 1966 ended the semester with hopes of an even more successful and prosperous junior year.

# Focus on Participation

Participation is a key word for Muir's active student body. On campus there are over forty clubs encompassing all major areas of interest. New organizations this year range from the Chinese Interest Club to the sophomore boys' "X" Club.

Interest and participation in school affairs is emphasized in the active Class Councils, popular dances and successful sales. Muir parents, also caught in the spirit of participation have become members of the Boosters' Club. Cheering on the Mighty Mustangs, they augment the stupendous pep squads, "M" and Rooters' Clubs to form the most enthusiastic section in the league.

# It's Back to School

The weather at the beginning of the 1963 fall semester performed quite oddly this year, as the first week produced a deluge of rain and a low, chilling temperature.

The second week, the weather reversed, and it seemed the sun had focused its heat directly upon John Muir, with the mercury rising to a high of 113 degrees. The Southland heat toppled some all-time records while cooked students went about their classes sizzling in the burning sun.

Despite the vagrancies of the weather, it was "business-as-usual" for Muirites who helped orientate new sophomores and started off the football season with a special Sports Night.

# Over Victorious Homecoming Festivities

Homecoming, 1963, saw several firsts at Muir. Not only was Muir on top in Foothill League football, but it also marked the first annual meeting of the Alumni Club.

One of the high points of Homecoming was that pep rally! Muir spirit, as Coach Don Shoup put it, 'literally raised the roof.' As the game was to prove, the student body's faith was not in vain. The Gold Machine conquered PHS at the traditional Turkey Tussle: the Victory Bell came home to Muir after a year's absence.

Later that evening, Queen Laurie Hoover presided over the victorious Homecoming Dance, planned by Steve Perkins and his committee.

Their sparkling routines exemplified the pep and enthusiasm of the student body at the various pep rallies, banquets and games.

No pep squad could be complete without the cheer leaders. The varsity cheer leaders, known for their original yells and other contributions to the pep activities included Lane Hauck, Matt Jefferson, Jim Cudlip and Head Cheer Leader Dick Rockwell. Promoting big turn-outs for the "B" games were colt cheer leaders, Doug McCormick and John Duddy.

# Lively Pep Squads Lead Muir Rooters in

SONG AND FLAG Girls lend a helping hand to the Muir Mustang.

Constituting the major units for building spirit among Muir students are the vivacious pep squads. Members of the squads exhibit the greatest possible enthusiasm and spirit for Muir, working to instill these same qualities in all students, encouraging everyone to participate, and inspiring teams on to victory. Rhythmic Flag Girls, sparkely Song Girls, and enthusiastic Cheerleaders focus their abilities to help maintain the high pep standards set by Muir's previous pep squads.

With a membership of almost 300 girls, "M" demonstrates the active spirit of more than half the senior girls. Throughout the past year, the group has exhibited outstanding enthusiasm at every pep function.

Attired in blue sail cloth dresses, the "M" Girls supported activities both at school and at games and meets. They also provided service and backed Muir in every way. Faculty advisor, Mrs. Elsie Stellway, guided the girls, supervised all meetings and activities to make the club an outstanding, organized one.

# Participate in Active Spirit

The highly-spirited members of the Rooters' Club, attired in white shirt, ties and straw hats, gives peppy vitality to the cheering section at all rallies and games. Advisor Burt Kanner supervises the group in their activities; many of which include providing originality in the cheering sections, aiding in pre-game preparations, passing out stunt cards and distributing pompons to the girls in the "M." The Rooters' Club gives freely of their time and provides invaluable help to the pep commission and school.

The precision marching and outstanding musicianship of the Mighty Mustang Band, under the direction of Mr. Dean Brown, have proved invaluable to the pep and spirit at Muir. Marching 98 strong this year, the band added color and entertainment while performing at football games and other school activities.

Leading the band were Drum Major Loren Marsteller and his assistant, Mark Meador, who rhythmically directed the band, while performing. This year the well-trained unit marched in the Spring Music Festival at LA State, the UCLA Band Day, and has been designated as the official Junior Rose Bowl Band.

The annual Powder Puff Derby, sponsored by Girls' League, was held on January 17. The Powder Puff Derby is a flag football game between two teams of Senior girls at Muir. Any Senior girl is eligible to tryout for this game but only 44 girls are accepted for the two teams.

The blue team was coached by Kelly Whitehill and Carlton Trimm, while the gold team's coaches were Chase Gregory and Eric Tollefson. An exciting game of football was played in which the two teams tied with a score of 4-4 first downs.

"Petite and well poised" song and flag boys added a touch of humor as they displayed their rhythmic talent before many spectators. Half time entertainment was provided by a vivacious drill team of boys, which displayed their masculine viewpoint of precisional routine.

# Council Promotes Active Year

Under the leadership of Fall President Cindy Gertmenian, the Girls' League started a successful year by sponsoring a Girls' League Conference, in which six other schools participated.

Girls' League continued its activities by holding a Mother-Daughter Banquet and a hilarious Powder Puff Derby. For a welfare project, the Girls' League planted trees in Angeles National Forest. Combined with the efforts of Boys' League, the Girls' League also helped beautify Muir by painting the trash cans.

The coming of spring brought the election of Mary Ann Hubner as president for the new semester. Under her guidance an outstanding Hush Day and Hush Day Dance were launched. The Girls' League closed the year with the traditional Father-Daughter Banquet.

SPRING COUNCIL MEMBERS, ROW 1: Stefan Harvey, Margie Benesch, Carolyn McNeill, Pam Tajima, Piky Zanocco, Sue Malmgren. PAINTING TRASH CANS for Boys' League are Alan Takagaki, Bob Shafer, Dan Daniels and Harcourt Hervey.

Boys' League, under the leadership of Mr. Stanley Sheinkopf, began the year by co-sponsoring the sophomore orientation with the Girls' League. Led by president Ed Thie during the first semester, Boys' League sold pep buttons and cards. In addition, they co-ordinated and evaluated Civil Defense Drills and provided the school Christmas Tree.

Spring president Bob Randall worked together with Boys' League council in arranging a tricycle race and trash can painting. Also a "Mr. Model Mustang" dance was held, and for the first time, a Boys' League newspaper was published.

# Holiday Season

Under the direction of Miss Marguerite Hougasian and Mrs. Gwen Holly Simpson, this year's "Christmas Masterpieces" presented a combined performance by the drama department and the choral groups. The first half of the program featured the Boys' Glee, Girls' Glee, Girls' Chorus and the Madrigals.

The second portion of the annual program was performed by the drama department and the A Cappella Choir. The Choir sang many Christmas favorites while the drama students portrayed scenes from famous Christmas Masterpieces.

"Christmas Masterpieces" came to an end when the A Cappella Choir sang "Hallelujah Chorus" from "Messiah."

A CAPPELLA CHOIR under the direction of Miss Marguerite Hougasian provided exceptional performances throughout the school year. They performed at such programs as the Christmas and Spring Concerts.

# Entertains at School, Community Functions

The seven vocal groups under the direction of Miss Marguerite Hougasian include approximately 265 members. The Melody Maids and the Gentlemen Songsters are selected groups from the Boys' and Girls' Glee Clubs; Madrigals and the A Cappella Choir are the advanced choral groups. The Girls' Chorus completes the list of choral groups at Muir.

Madrigals are Muir's representatives to the community. The A Cappella Choir was invited to the All-City Music Festival this year as they were last year also. The Boys' and Girls' Glee Clubs and the Girls' Chorus performed at both the Christmas and Spring Concerts.

MUIR'S SINGING REPRESENTATIVES this year are, ROW 1: Pat Thurber, Gayle White, Frances Cash, Cathi Greene, Kathy Richardson, Kathy Sherburn, Nancy Raddatz, Wrelda Cragget. ROW 2: Bruce Edwards, Jesse McNeil, Claudette Skeete, Jim Thwing, Willis Jackson, Rick Hall, and John Cassou.

# Orchestra Recitals Add Cultural

Recitals performed by the John Muir Orchestra added a cultural touch to the various activities throughout the year. Led by Conductor Dean Brown, the first Winter Concert was held in December with three soloists. January brought the performance of all members at the annual mid-winter recital.

Four Muir musicians were chosen to participate in the All-Southern California High School Orchestra, including David Stevens, tuba; Barry Socher, violin; Loren Marsteller, trombone; and John Beal, percussion. In addition, Barry Socher, Loren Marsteller and Alan Bartulis were chosen to go to Europe for the Idyllwild Youth Symphony.

Spring included two recitals and the annual Spring Concert. In March, the orchestra performed at the Southern California Band and Orchestra Festival.

SOLOISTS LAUREL HARTE and twelve string guitarist Dan Buckner combine talents to give a strapping rendition of "Banks of the Ohio."

Muir student audiences have been treated to a wide variety of performances by amateur and professional entertainers. Musically there have been band and orchestra concerts including a chamber music recital, a few folk singers and hoots and choral concerts by on and off campus choruses. Visual appeal has been provided by a surfing movie, slides on a Mt. Everest expedition and modern dance renditions. Dramatic productions were sampled by sixth period English classes and the entire school. A variety show displayed the diversified talents of a heterogeneous student and a famous Muir alumni, Jackie Robinson, was awarded a lifetime pass to all of Muir's activities.

# of Oz" Receive Wide Acclaim

Widest acclaim in the history of Muir's dramatic department, under the direction of Gwen Holly Simpson, was given this year to productions ranging from classic Shakespeare to Theatre of the Absurd.

The fall play, "The Winslow Boy," was the dramatic story of the effects of an accusation of theft on an English family. "Hamlet," first produced by the advanced production class in unique concert reading for Experimental Theatre was well-received and re-enacted by special invitation for theatre arts students at California State College at Los Angeles. Scenes from "Hamlet" were also presented at UCLA Shakespeare Festival. Muir productions were also presented at the Foothill League, Southern California and Burbank Festivals. Experimental Theatre on a three weekend slate in February included "Hamlet" as well as "As You Like It," "Antigone," "Common Clay" and "Overtones."

Thespians will travel this summer to present "The Wizard of Oz" on invitation at the Dramatic Arts Conference at Indiana University after showing in April at the Pasadena Playhouse during Children's Theatre Week.

Responsible for lighting, sound, stage sets and equipment for productions at Muir is the stage crew. This year's crew worked with new equipment to do professional backstage jobs on presentations such as school plays "The Winslow Boy" and Mother-Daughter Banquet as well as pep rallies and school assemblies. Under the direction of Mr. Robert Carroll, the students kept the operations smooth behind the scenes.

Experienced art students used their ability in making decorations, posters and publicity for various school and outside functions. "Christmas Masterpieces," ASB Card sales, dances and other activities were publicized and decorated by the Art Activities class. Guided by Miss Gayle Morris, students also carried out art work for "inner i," school literary magazine.

Working hard to maintain their coveted National Scholastic Press Association All-American rating for the third consecutive year, the *Blazer* staff kept the campus informed and provided many lively new features. Headed by Editor Carolyn McNeill, the production class of 28 students was larger than ever. New editorial features, including a more active Letters to the Editor column, were among the improvements instituted this year. Sports coverage was also broadened under Editor Tom Bowen.

Members of the staff stepped up coverage in local papers through News Bureau and kept up-to-date with journalistic practices by attending workshops at UCLA, USC and LACC. Outstanding staff members were awarded special medals of honor at the Publications Banquet in the spring.

MUSIC PROVIDES ATMOSPHERE for dancers at the traditional Junior Prom held around the decorated gym and pool. The long-anticipated spring event highlights the junior year.

Deciding on "Venetian" as their theme, members of the class of 1965 highlighted their social activities for the year with the traditional Junior Prom.

Led by Chairman Bonnie Moore, the Prom Committee planned the affair with the surrounding atmosphere of the "Plaza de San Marcos," adorned in red and gold. Providing the music for the evening were the "Ambassadors," who have played at previous functions at Muir. Set around the Roman motif of the decorated gym and pool, climax of the dance was the presentation of the court and the regal crowning of Queen Chris Pichel by last year's Junior Queen, Patti Robinson.

# Girls' Athletic Association . . . Leaders

FALL GAA BOARD members include, ROW 1: Terri Goodnight, Cindy Gertmenian, President Phyllis Ritner, Nancy Frazee. ROW 2: Brenda Manassian, Sandra Harton, Mrs. Eleanor Blum, Jane Dangerfield, JoAnne Ota. ROW 3: Judy Hunter, Margie Benesch, Jo Booker, Robin Willoughby. ROW 4: Nancy Corcoran, Pamela Cooper, Jean Smith, Jennifer Johnson, Diane Grosman.

Girls' Athletic Association meets after school on Tuesdays and Thursdays. Distinct in their GAA sweatshirts and pins, members sponsor many notable groups and events such as Aquacade and the semi-annual semester barbeque.

This year, GAA has been outstanding as a service club. Members have made regular visits to the Small home, talked and read to their five children, all of whom are stricken with cerebral palsy.

Weekly board meetings of the GAA are all important. Here, the decisions on future actions of the association are made. New plans and ideas flow through the board to keep GAA strong and active in the future.

SPRING GAA BOARD members inspire leadership and co-operation in the hundreds of girls of GAA. ROW 1: Jennifer Johnson, Connie Traylor, Margie Benesch, President Cindy Gertmenian, Terri Goodnight, Mary Chase, Brenda Cantrell. ROW 2: Jean Smith, Chris McMillan, Pam Cooper, Brenda Manassian, Jo Booker, Adelaide Bossieux.

# in Sportsmanship, Physical Fitness

Under the direction of Mrs. Allene Hoeven, the girls' physical education department this year has offered a well-rounded program for Muir co-eds. The excellent instruction offered has been the reason for the consistently high ratings attained by the girls in the California State Physical Fitness Test competition.

Instruction is given in various sports such as archery, tumbling, badminton, field hockey, speedball, basketball, softball, swimming, folk dance, modern dance, tennis and golf. A student is able to choose the sports she wishes to take each semester. The subjects in each class are arranged so as to give the student skill in all types of sports and to widen her interests in them.

# Girls' Aquacade, New Tennis Club

TENNIS CLUB MEMBERS, ROW 1: E. Furumoto, D. Mitchell, P. Malling, J. Booker, N. Roberts, B. Minasian, Miss Tinker. ROW 2: D. Akira, S. Smith, J. Andrea, L. Usher, B. Merchant, D. Livermore. ROW 3: P. Roberts, T. Omura, P. Nack, V. Miyazaki, J. Yamaguchi.

Much skill and precision are viewed by spectators each year during Aquacade, a water ballet put on by girls who excel and are interested in swimming. Under the supervision of Faculty Advisor Betty Morr, and Student Director Nancy Corcoran, the participants developed routines to carry out the theme "Caves to Craters," illustrating times of man from the prehistoric period to the present. Each individual girl put in many hours of practice in order to make this year's Aquacade one of the best ever.

As Aquacade is for girls who enjoy swimming, so the newly organized Tennis Club is for girls who like to play tennis. With Miss Carolyn Tinker as advisor, club members join on the tennis courts each Friday to compete with one another in friendly games of tennis. In addition to recreation, the girls had a pickle sale first semester to raise money for their treasury.

SKILL AND FORCE are exhibited in a serve by Joanne Yamaguchi during a fast game of tennis.

TENNIS CLUB OFFICERS are Bee Merchant, Advisor Carolyn Tinker, Joy Andrea and Jo Booker.

# Furnish Outside Sports Activities

CONSERVATION CLUB MEMBERS, ROW 1: Erin Hall, Jim Servais, Barbara Clarke, Valerie Menderhall. ROW 2: JoAnn Virgallito, Lindy Branch, Michael Carr, Pam Johnson, Mr. Ralph Pinney. ROW 3: Herbie Dodie, Steve Clarke, David Ohlsen, Bill Flagge, Robin Sands, Bill Imhof.

Under the advisorship of Mr. Ralph Pinney, the brand new Conservation Club got off to a good start this year. Hikes to the San Gabriel River, backpack trips to the area of San Gorgonio, trail clearance projects in cooperation with the U.S. Forest Service and a basic mountaineering course compose the various outings taken by the club members.

Goals of the Conservation Club include exploring the field of conservation by various excursions and gaining experience in hiking and mountaineering. Fun combined with knowledge of the surrounding country also played an important part in the aims of the club.

# Cold No Barrier to Winter Fun

HAPPY MUIR SKIERS are Linda Branch, Chris Van der Kar, Jo Ann Virgallito and Sue Gherman.

New interest in skiing brought a new Ski Club to Muir this year. Interested in the general aspects and safety of skiing, the club members took part in discussions with speakers from various ski shops, presented ski movies for students as well as faculty and had a donut sale to raise money for trips to the snow. Their main events were a joint ski day with Pasadena High School, a weekend trip to Snow Valley and club excursions to the many ski resorts. Under the leadership of President Jo Ann Virgallito and Advisors Larry Stephens and Betty Morr, the Ski Club got off to a good start with many hours of fun and excitement for its members.

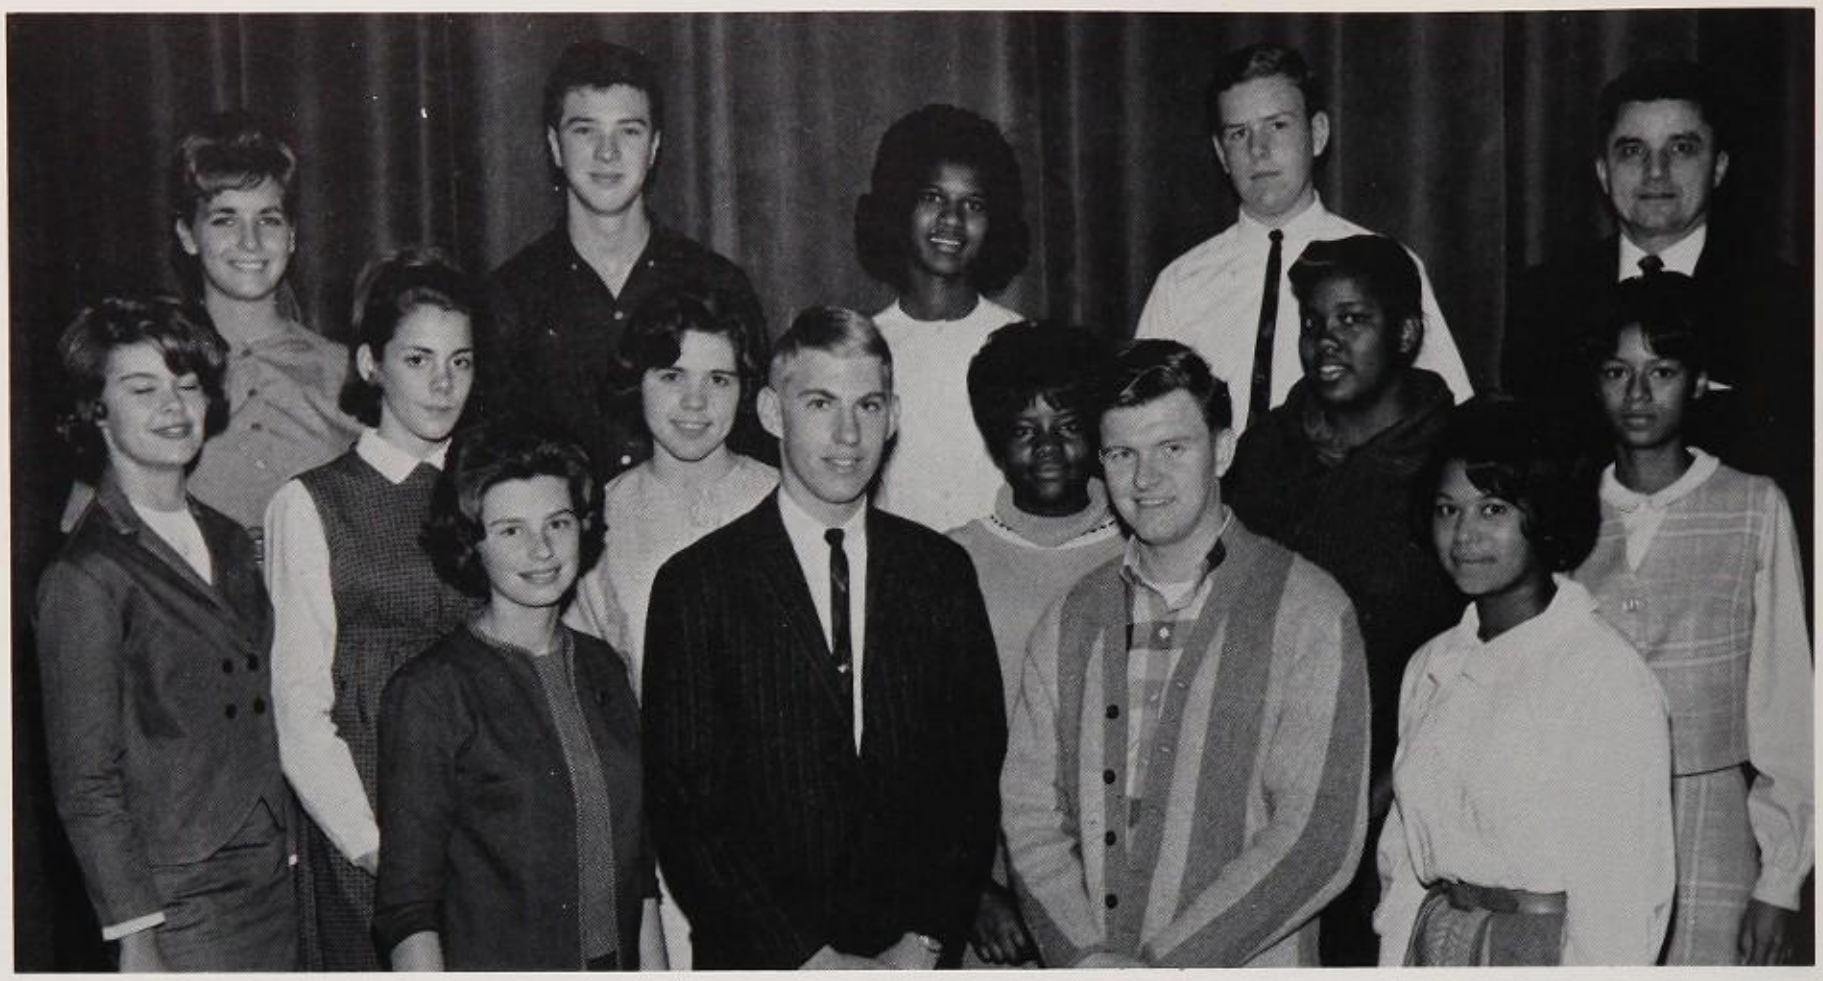
# Future Teachers, Business Leaders . . .



FBLA MEMBERS, ROW 1: Secretary Sandra Stephenson, President Ron Malmfeldt, Treasurer Everett Moore, Vice-President Alice Brown. ROW 2: Linda Schultz, Chris McMillan, Kathie Geer, Pearline Stone, Kathryn Sullivan, Doris Brown. ROW 3: Cheri Huffsteller, Dennis McQueary, Edie Cafer, Mike Starkweather, Advisor Stanley Endursick.

Strengthening the confidence of Muir's businessmen-to-be was the work of the FBLA or the Future Business Leaders of America, under the supervision of Mr. Stanley Edursick. The FBLA helps develop competent and aggressive business leaders in meeting the challenges of the Age of Automation. To keep the members alert on automated practices the club tours places such as Burroughs Data Computing Center, Lawry's Foods, Inc., Helms Bakery and the CBS Television City, with a luncheon at Farmer's Market.

# Organizations Focus on Tomorrow

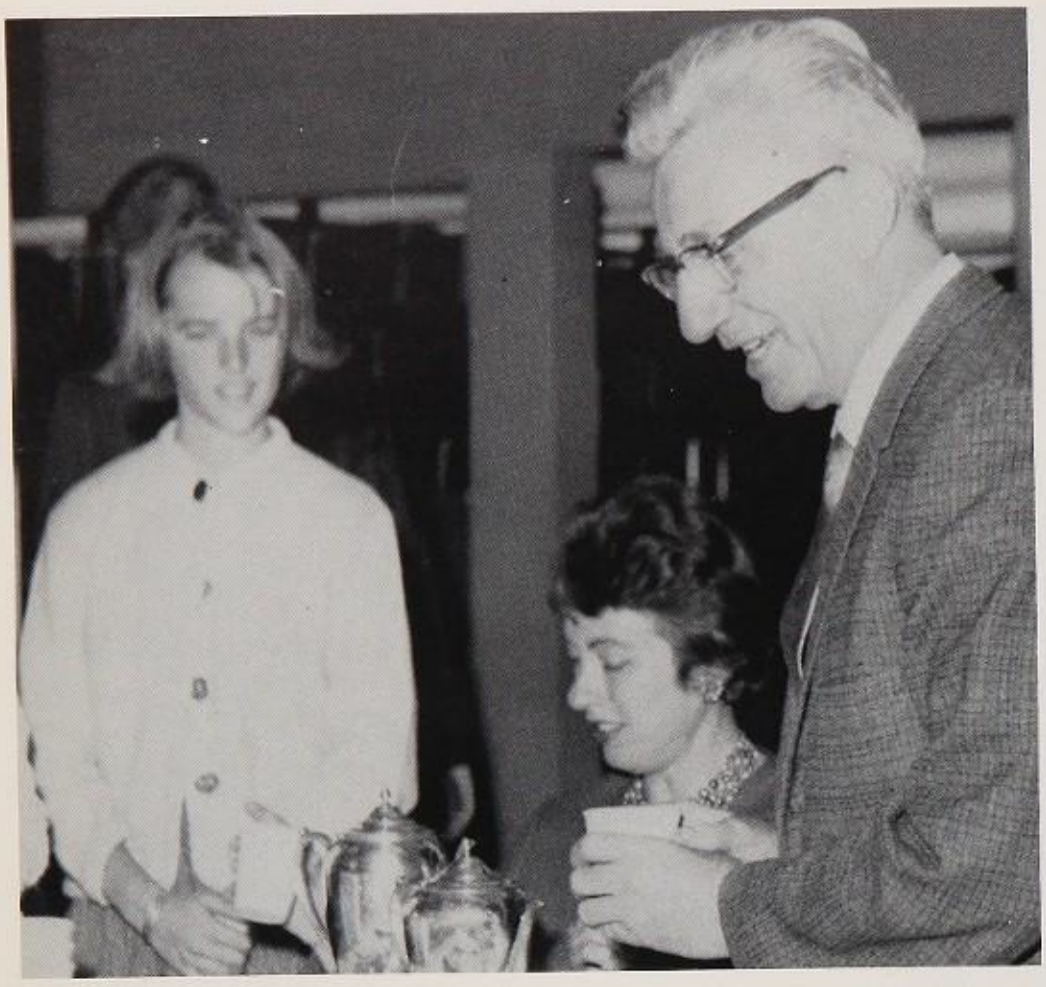
DISCUSSING NEW PLANS are Christine Herr, Julia Turner, Cherri Mickle, Judy Rumell, Dana Rogers.

Small but active, Muir's Future Teachers of America Club has carried out a busy schedule devoted to learning more about the profession of teaching. Meetings featured speakers in the field of education from Muir and other schools. Preparation for meeting credential requirements was also emphasized.

Members visited elementary schools in Pasadena on March 13 to view the educative process in action. They also attended an all-day conference at the Statler-Hilton, which brought together FTA members from other Southern California chapters, as well as from Mexico.

FTA MEMBERS, ROW 1: Spring Secretary Christine Herr, Fall Secretary-Treasurer Shirley Veylupek, Fall President Judi Rumell, Fall Vice-President Dana Rogers. ROW 2: Robin Thouin, Lorelli Elty, Kathleen Ken, Mrs. Alli Roysher. ROW 3: Mike Haggerty, Spring President Cherri Mickle, Bruce Bell.

# Outstanding Musicians, Scholars



THOROUGHLY ENJOYING HIMSELF, Mr. Mazzarella is served coffee by Sally Schatford and Mrs. Hoeven at the CSF-faculty tea.

CSF is an organization under state charter which affords recognition and honor to students who achieve superior academic records. In accordance with its high standards, it serves both student and school. Activities of this year's California Scholarship Federation have included their annual banquet, a regional conference at Cal Tech and honoring of the sealbearers upon their graduation.

Sealbearers are students who have maintained membership in the CSF for four or more semesters. They are awarded a gold seal of recognition on their diplomas, and a gold cord on their gowns, signifying their achievement.

# Honored for Fine Achievements

MODERN MUSIC MASTERS, an honorary society for students who excel in the field of music, include ROW 1: Mr. Brown, Linda Martin, Valerie Mendenhall, Frances Inco, Phyllis Ritner, Jim Shelburn, Miss Hougasian. ROW 2: Nancy Raddatz, Shirley Veylupek, Martha McMillan, Nancy Corcoran, Linda Kensler, Yvonne Link, Marcia Sage. ROW 3: David Stevens, Allan Miller, Joseph Skeete, Jessie McNeil, Ron Ryder, Rob Farber.

Talent runs high in the music department at John Muir, especially with the support given by the Tri-M to the band and orchestra. The Modern Music Masters participate in church and community activities as well as school concerts. Other activities throughout the year included the sale of mistletoe before Christmas with the money raised contributed to the Five Acres Home for Children at their annual Christmas party.

This year, as in the past, several of the members were selected to participate in the All-Southern California Orchestra. The four participants from Muir were John Beal, Loren Marsteller, Barry Socher and David Stevens.

The Chinese Club, sponsored by Mr. Norman Nathan with Stephanie Lehman as President, worked to promote greater interest in the Oriental culture. Their club activities included a visit to a calligraphy exhibit, a trip to Chinatown on Chinese New Year and an excursion to a Chinese defense exhibit.

The Russian Club focused their efforts on creating better understanding and relations between the Russian people and the students of John Muir High School. Guided by Mr. Carl Hedeen, and Presidents Sharron Perkins and Shirley Veylupek, the club had speakers and films on Bulgaria and Russia. They also attended services in a Russian Orthodox church.

The French Club worked on the development of interest in the language, culture and traditions of the French. Aided by Mrs. Mignon Cevera, Mrs. Mildred Miller and President Sandy Haynes, members had dinner at a French restaurant and published a French newspaper once a month.

FRENCH CLUB MEMBERS: ROW 1: Sponsor Mrs. Mignon Cevera, P. Tajima, President S. Haynes, P. Clasen, K. Carnahan. ROW 2: C. Monod de Froideville, S. Moore, K. Keer, B. Charles, M. Molitor. # Cultures . . . Histories . . . Traditions

The newly organized Junior Classical League under the supervision of Miss Mary Kohr and Mrs. Genevieve Payne, endeavors to promote interest in Latin and the Classical cultures.

Serving as president both semesters was John Welch. Under John's leadership a candy bar sale was held to raise money for project "Q." In December, a Roman Banquet was given.

During spring semester, a Latin Field Day which included all the schools in the Pasadena area, was held with contests in Ancient Mythology, gladiatorial fighting and chariot racing.

The Spanish Club, coordinated by Mrs. Peggy Hurst, and with Laurel Harte as President, attended the Roman Banquet with the Junior Classical League. At one of the meetings AFS student, Piky Zanocco, showed pictures of her native Argentina.

ROW 3: Mr. Ballard, James Parham, Carlos Frausto, Anthony Caldwell, Langston Trigg, Oliver Holmes, M. Mouse Hylkema, Dick Burton, Rick Ulrich.

# Promote Worldwide Understanding

Promoting better relations among countries and students is the American Field Service. AFS provides for the exchanging of students and then living with typical families in other countries. During the summer, Laurie Hoover of Muir went to France and enjoyed hospitality of a family there. This year, Muir has an exchange student from Argentina, Piky Zanocco, who lives at the home of a Muir student, attends a full schedule of classes and is present at the school social functions. Piky lives the life of a typical American student and will have much to tell her friends when she returns home.

The Human Relations Club at Muir attempts to find what may be solutions to the world's problems. Meeting twice a month, this active discussion group has guest speakers in an effort to better understand social problems here and abroad. This spring they sold peace pins as a fund-raising project.

# Time, Energy to Enthusiastic Service

Maintaining high standards in every phase of school life, Key Club served the school and community in many projects this year. Key Club, under the direction of Mr. John Williams, is sponsored by the Altadena Kiwanis Club. This year's projects included support of an Italian orphan, philanthropic projects at Five Acres home for retarded children, and serving at the Mother and Daughter Banquet.

Focusing on service, leadership and scholarship, "Z" Club, honorary girls' organization, participated in many worthwhile projects. Under the supervision of Mrs. Lura Nelson and Miss Esther Smith, the club's main project this year was the sending of books to the Student Non-Violent Coordinating Committee in Greenwood, Mississippi. They also worked at many school functions and off-campus activities, including a trip to the County Hospital at Christmas and a Forest Service project.

"Z" CLUB MEMBERS, ROW 1: Vicky Schaffner, Mary Hubner, Meg Hall, Robin Weinstein, Melanie Michaels, Cindy Gertmenian, Robin Willoughby, Carle Gauntlett, Diane Grossman. Taylor, M. McDaniel, D. Moore, P. Stone.

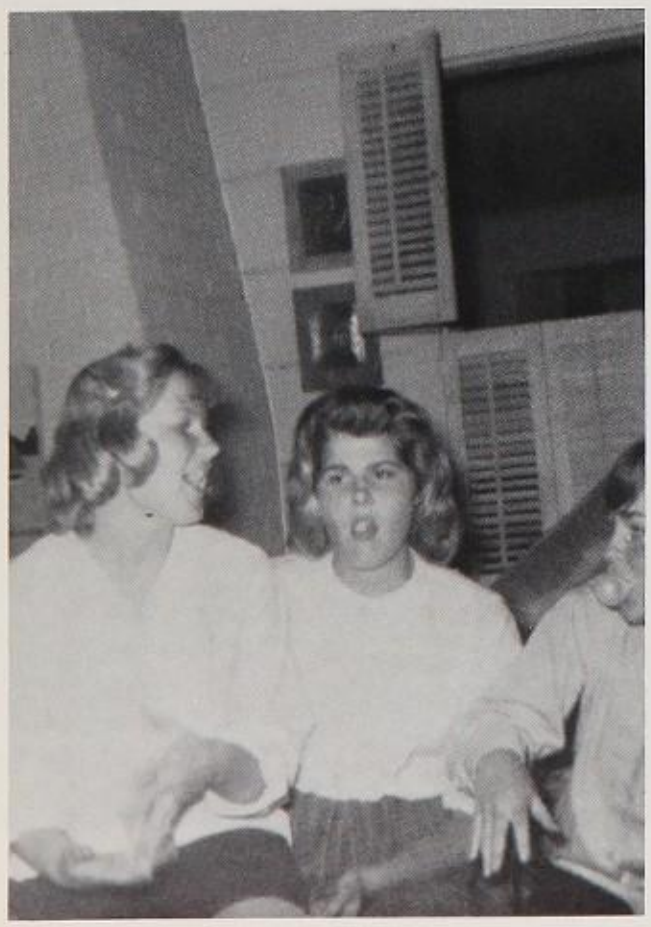
Starting the year with the largest attendance it has ever had, the Senior Adelphians under the supervision of Mrs. Mildred Swenson, aimed themselves at service through philanthropy and friendliness.

The first semester was begun with Chris Salisian as president. Guided by Chris' leadership ability, the Senior Adelphians served at the annual football banquet and had a skating party for all three Adelphian groups. They also provided cookies for the Homecoming Dance and the Girls' League Conference at Muir. A sucker sale was held in December to raise money for the Senior Adelphians' donation to Project "Q."

Spring semester activities were coordinated by President Kris Thume. Proving to be a capable officer, Kris led the Senior Adelphians in working with the Red Cross on numerous city projects and helping the school through publicity and service.



SENIOR ADELPHIANS PLAN activities for the coming year.

# Serve Muir, Surrounding Community

During two semesters at Muir the enthusiastic Junior Adelphians, coordinated by Mrs. Jean Christiansen, worked wholeheartedly on school and community projects.

Heading the fall semester was President Ann Bagby. Under Ann's lively leadership the Junior Adelphians made Thanksgiving tray favors for the Scripps Home. Cookies were donated to the Girls' League Conference held at Muir, and the Junior Adelphians were the first club to contribute money to project "Q." The Junior Adelphians began the Christmas Holidays with a skating party.

President Pat Naritomi continued the good work by organizing the spring semester activities. Guided by Pat's ability, the Junior Adelphians held a party for mentally retarded children and sponsored an Easter Egg hunt for a group of hospitalized children.

Serving the school is the main purpose of the "X" club, sponsored by the Altadena Exchange Club. Directed by Mr. Peter Pappas, the club's main project for this year was participating in the annual March of Dimes drive by distributing collection boxes to business establishments in the local area.

Under the supervision of Mrs. Helen Turner, the Sophomore Adelphians served the school in the past year by decorating for the Football Banquet and making cookies for the traditional Sophomore Sweetheart dance. The making and filling of Santa jars for the children of Huntington Memorial Hospital provided a successful Christmas project and added to their service activities for the year.

# Complement Muir's Science Program

Muir science students reaped the benefits of two outstanding groups: Chemistry Club and Physics Society. Under the watchful eye of Mr. Lee Browne, chemistry students spent after-school hours once a week improving their lab techniques. Through the club, they had a chance to hear Dr. Linus Pauling, twice the winner of a Nobel Peace Prize. Excursions included trips to Cal Poly and JPL.

Unlike the Chemistry Club, Physics Society was newly formed in the fall, with the help and leadership of Mr. John Stanton. The year's calendar featured lectures given by representatives from Cal Tech, JPL and Occidental. In addition, many of the members met after school, building and repairing equipment as well as working on projects of a scientific nature.

John Muir Club enjoyed an active year of service and fraternization. Service projects in the school included refurbishing and relocating the Torii Gate and raising a sizeable donation toward Muir's Teen-Topper Program over a local radio station. In the community, John Muir Club launched Pasadena's March of Dimes Campaign by distributing money cannisters to merchants throughout the city.

Socially, the club derived pleasure from a variety of excellent speakers at its weekly meetings. The members also held a bowling tournament, sponsored a beach party and attended exciting sports events.

# Furnish Entertainment, Service

The newly re-organized Lettermen's Club continued this year under the joint advisorship of Coach Ben Steelhead and Mr. Sigurd Carlson. The club previously consisted of only varsity lettermen, but because this rule was changed to accept anyone who had lettered in a sport at Muir, membership increased. With new officers chosen in the fall, several activities were planned. A candied peanut sale to raise money and a movie "Highlights of Football," was scheduled to accent Muir's great football season. With the money earned, a committee headed by Chase Gregory started a Hall of Fame for top athletes, which also will continue in future years.

Shandry Dans, Muir's car club has, as a new group, promoted several worthwhile projects. As a public service, the club sponsored a free car clinic and checkup for students and faculty. Their emphasis is on safety in driving and helping their fellow motorist.

The club is vitally interested in the workings, maintenance and handling of almost every sort of vehicle. Most of the members are well on their way to becoming expert in maintaining and repairing all types of cars. Plans for the future include a Car Show.

# Dedication . . . Willingness to Learn

ROW 2: M/Sgt. Yoshiaka Murakami, Sgt. Gordon Regar, Sgt. Randy Ditty, Sgt. William Olson.

John Muir High School comprises the 138th battalion of the California Cadet Corps. Under the command of Col. Marcus C. Young, the cadets have been drilled in the evolutions of military formations, manual of arms and dismounted drill.

The 138th battalion's roster for this year contains the names of sixty-five cadets. These cadets are organized into a headquarters section, a quartermaster section and three rifle platoons with detachments.

Among those who have brought triumph home to the 138th battalion are Cadet 1st Lt. William Flauncher who represented Muir at the Leadership School at Fort McArthur, California.

When the last sector annual drill competition was held at Muir, Cadet Captain James Russell won the individual drill award for the first place, giving Muir another win during the ten years competition has been held.

# Barristers Encourage Prospective Lawyers

Barristers' Society, under the direction of Mr. Sigurd Carlson, is a new club on campus this year. Its main purpose in forming was to further acquaint students with the broad field of law. Trips were organized to various court sessions, where proceedings were viewed. The students then held their own "mock trial." To aid the finances of their club, the Barristers sold candy covered peanuts.

Forensics Society is devoted to the art of speaking. This national organization requires that to become a member in national standing one must obtain 25 points which are gained by placing in various tournaments. The areas open for competition are debate, oratorical interpretation, original oratory, extemporaneous, impromptu, dramatic and humorous interpretation.

Focusing their efforts on making the 1964 *Hoofbeats* the best yearbook ever was the ultimate goal of each member of the yearbook staff.

Editor-in-Chief Eleanor Takata, whose diligence, organization and patience was greatly appreciated by the class, co-ordinated the efforts of the editorial staff, as well as gave invaluable help to each member of the class.

Business-Managing-Editor Harcourt Hervey displayed firm yet humorous leadership while making sure deadlines were met, and handled all business transactions.

Under the supervision of Mrs. Barbara Burns, the class did its best not only to provide a memorable and interesting annual for the students at Muir, but also to receive the highest possible score from the yearbook rating services, to which the yearbook is sent each year.

# Thy Strength Shall Never

# Focus on Competition

The challenge of Muir's formidable athletic competition is met with omnipresent spirit and co-operation from both the teams and the enthusiastic student body. Strong competitors in all sports, the Mustangs, led by an excellent coaching staff, have thrilled spectators throughout the various sports seasons.

As in years past, Muir's athletes have focused their sights on the traditionally fine sportsmanship that has established Muir as one of the most highly respected schools in the nation.

## Pacific Whipped by Mustangs, 12-6

A determined and spirited Mustang team avenged its 6-4 loss last year by handing the San Bernardino Pirates a 12-6 beating. The first break of the game came for the Mustangs when the pass from center sailed over Punter Joe Mead's head, and was downed on the 11-yard line where Muir took over on downs. Two plays later Halfback Ron Pritchett scored on a 12-yard jaunt up the middle, to put the Mustangs ahead. Six minutes later San Bernardino threw a 9-yard touchdown pass, knotting the score at 6-6.

In the third quarter, after it looked as if the Mustangs would stall on their 21-yard line, Ron Pritchett took the handoff from Quarterback Kelly Whitehill and dashed 80 yards around left end, giving the Mustangs their final and winning score. From then on, the "Mighty Mustang" defense, stalwarted by Chase Gregory and Pat Whitlatch, held their six point lead.

## Mustangs Club Centennial, 12 - 0

Muir's fighting varsity football team scored an impressive 12-0 victory over the highly-touted Centennial Apaches in their second pre-league game of the '63 season, to raise their rating in the CIF grid polls to fourth.

During the closing minutes of the first half, the Mustangs had possession of the ball on the Apache 27-yard line, with fourth down and two yards to go. Fighting the clock, Coach Art Teixeira called a time out to talk to his Quarterback Kelly Whitehill. With Centennial expecting a first down play, Whitehill faked to Fullback Cliff Coker up the middle. As the center of the line bunched up, Whitehill dropped back unexpectedly and fired a 27-yard pass to Jewell Akins in the end zone; thus giving Muir a 6-0 edge at halftime.

Both teams deadlocked again in the third and most of the fourth quarter, until the Mustangs clinched the game when Fullback Coker darted past right end from one yard out. With one minute left to go in the game, it was evident that the underdog Mustangs had won their second and biggest pre-league game.

# 3rd Quarter Ruins Hoover Cyclones, 20-6

Muir's Mustangs and Hoover's Tornadoes met in an important league battle at Horrell Field, with the Mustangs emerging as victors, 20-6. After a scoreless first half, Muir jumped into the lead when Ralph Allen recovered a fumble and Quarterback Kelly Whitehill rolled around right end, untouched, for the score. Again Muir had a chance to score when Ron Pritchett intercepted a pass in Tornado territory, but a fumble by Whitehill was caught in midair by Bob Burton, who raced to paydirt. A recovered fumble by Ralph Allen and a 42-yard pass from Whitehill to Halfback Ron Pritchett gave the Mustangs their second score.

In the fourth quarter, the Mustangs added their final TD on a 28-yard romp by Ron Pritchett.

RON PRITCHETT (45) RUMBLES past Hoover secondary to score fourth quarter TD. Muir clipped Hoover in second half, 20-6.

# Mustangs Roll On, Crush Burbank, 39-0

Led by three touchdowns of Ron Pritchett, Muir's mighty Mustangs crushed Burbank 39-0, to chalk up their fourth straight victory.

Ron Pritchett started the ball rolling in the first quarter, when he dashed 42 yards off right tackle for the first touchdown of the game. The Mustangs didn't score again until the second quarter, when Ron Pritchett picked off a Burbank aerial and ran it back 54 yards for a touchdown.

Muir exploded in the third quarter on Ron Pritchett's third touchdown, a 45-yard run, Cliff Coker's 29-yard TD run, and Chuck Wagner's 41-yard touchdown pass to Tony Wilkins. In the fourth quarter, Joe Tolley skirted left end for a 55-yard TD, Muir's 6th and final tally of the night.

KELLY WHITEHILL (10) LOFTS a pass over the heads of Burbank's defensive line in Muir's 39-0 rout of the Bulldogs.

MUIR'S FIRST TD came when Ron Pritchett (45) dashed off right tackle for 42 yards and a touchdown.

# Muir Defies Odds; Clubs El Monte, 53-0

Despite the fact that Valley sports writers favored the Lions of El Monte over Muir by four to three odds, the Mustangs handed El Monte a crushing 53-0 defeat.

Quarterback Kelly Whitehill scored on a keeper for the first TD. The Big Gold Machine then started to roll as Cliff Coker and Joe Tolley hit for touchdowns in the first period. In the second quarter Coker hit paydirt again, and Whitehill tossed a 44-yard TD pass to Jewell Akins, giving Muir a 34-0 edge at the half.

Muir struck again in the third frame when Doug Sherman threw a 35-yard TD pass to Fullback Ralph Allen and Chuck Wagner hit Flanker Harold Busby in the endzone for another touchdown. Allen scored again in the fourth quarter as the Mustangs dominated El Monte, 53-0.

# CIF Rates Muir Third As Crescenta Falls, 27-0

Muir ran its perfect record to six games by beating the Crescenta Valley Falcons, 27-0. In the first half, a host of penalties provided a barrier for the Mustangs to overcome, but they managed to score a touchdown and extra point to go ahead. Fullback Cliff Coker and Halfback Ron Pritchett picked up large gains to pace the march, with Coker going over from four yards out for the score.

The second half showed a stronger and more determined "Gold Machine" as they drove 82 yards for the second touchdown. Halfback Pritchett plunged over from the two-yard line for the score. Pritchett and Jewell Akins added the final two touchdowns. Pritchett muscled his way over from the one-yard line, and End Akins caught a 30-yard pass from Kelly Whitehill with 14 seconds left in the game.

FULLBACK CLIFF COKER (33), who played a key role in Muir's 27-0 victory over CV, rambles around left end for a sizeable gain.

# Burroughs Indians Fall to Muir Machine, 25-6

Muir's Big Gold Machine overcame a defense-minded Burroughs team to rack up their seventh consecutive victory. The Indian defense unit throttled Muir attacks in the first period of play as the Burroughs offense struck paydirt, marking the first time Muir has trailed in a game.

Muir recovered from the first quarter with a two-touchdown splurge; Ron Pritchett hit first for Muir on a 5-yard jaunt and Kelly Whitehill shot a 30-yard scoring pass to Flanker Phil Johnson.

Muir dominated the second half, scoring touchdowns in the third and fourth quarters. Cliff Coker plunged over from the one yard line and Kelly Whitehill rounded left end on a keeper for 45 yards to complete the scoring.

# Mustangs Blow Up Glendale Nitros, 41-13

Muir's powerful Mustangs racked up a 41-13 victory over the Glendale Dynamiters. Halfback Joe Tolley started the scoring by racing 52 yards to paydirt. The Nitros came right back down the field with Tailback Jim Whitely going over for the score. Muir tallied two more TD's and Glendale one before the half ended. End Jewell Akins pulled in a Whitehill aerial in the endzone, Tolley skirted left end for 29 yards, and Whitely threw a pass to Wingback Joe Cole for the Dynamiters' last score of the night.

In the second half, Fullback Cliff Coker boomed through Glendale's line and sprinted 37 yards to make the score 27-13. Flankerback Phil Johnson caught a 7-yard pass from Quarterback Whitehill, and Tolley went 27 yards for his third score of the night.

COACH ART TEIXEIRA displays look of watchful anxiety as Mustangs grapple with cross-town foes. Tony Wilkins (81) kneels alongside.

John Muir High's fighting varsity football team gained its second Foothill League crown in three seasons with a 14-13 victory over crosstown rival, Pasadena High.

Cliff Coker capped a 30-yard drive with a one-yard TD run to give the Mustangs an early 7-0 lead. PHS then marched 65 yards in 14 plays with Ed Batten catching an Arkansas dump pass for the touchdown. Late in the second quarter, Muir exploded with a 45-yard pass from Kelly Whitehill to Ron Pritchett which set up Muir's second score.

In the second half, PHS's Joel LaLone dove in from the one-yard line, but Tony Johnson blocked Glen Overland's PAT attempt, and the score stood at 14-13. With 1:53 left Overland attempted a 27-yard field goal which missed by six inches to give Muir the Foothill League title.

# Arcadia, Anaheim Fall as Muir

The Apaches of Arcadia High became the first victim of Muir's CIF title bid to the tune of a 20-14 total.

Ron Pritchett sprinted 60 yards for a touchdown on Muir's first offensive play of the game, but bad luck stepped in as the snap from center on the extra point was wide.

The Apaches then marched 60 yards to paydirt with Dennis Vallone of Arcadia going over for the score. The Apaches capitalized with a successful point after to lead 7-6.

Things looked gloomier when Vallone scored again to put Arcadia ahead 14-6. It was, however, Muir's explosiveness that prevailed. Ron Pritchett scored on a 30-yard reverse and Tom Maves caught a Kelly Whitehill TD pass (Page 133, bottom) with three minutes left to give Muir the nod.

The Mustangs gained the semi-finals of the CIF playoff with a 14-0 triumph over a rugged Anaheim team.

After a penalty-smeared, scoreless first half, the Mustangs used an unfamiliar weapon . . . ball control, to march 80 yards in 17 plays with Cliff Coker pushing his way over from the one-foot line.

The Muir defense shone, holding the Colonists to one first down in the second half while the Big Gold Machine rolled up eleven. Muir added to its margin in the fourth quarter with a 25-yard TD pass play from Kelly Whitehill to Phil Johnson.

# El Rancho 'Dons' Halt Mustangs

The El Rancho Dons ended the Mustang 1963 football season by defeating Muir's CIF final playoff bid with a 32-20 victory. Don Quarterback Tom Egan scored three touchdowns and threw a touchdown pass to lead the El Rancho scoring drive.

After El Rancho jumped off to an early lead, the Mustangs took the ensuing kickoff and marched to paydirt with Ron Pritchett punching it over for the final yardage. El Rancho's Egan then scored two of his touchdowns on five-yard runs and Muir was down 19-7 at the half.

From that point Muir and the Dons traded touchdowns with El Rancho emerging as the victors, 32-20. For the second time in three years El Rancho had thwarted Muir's CIF championship bid with a semi-final playoff upset.

Following the CIF finals of the next week, Muir placed Ron Pritchett and Eric Tollefson on the All-CIF roster.

# Indecisive Season Record Marks

The shadow of defeat hung over the Colts in seven of the nine games played this season. The scrappy, but outmanned Colt team could not cope with the power of most of the teams in the Foothill League. They did, however, have their moments as they demonstrated their true abilities against Centennial, El Monte, Pacific, Burbank and Glendale.

In the opening game of the season, the Colts dropped a close one to Pacific. Perry Simons led the Colt attack with a 3-yard touchdown run.

The next week the Colts took the field against a small Centennial team. Ruben Macabitos, James O'Neil, Roland Crozier and Brent Smith scored touchdowns to lead the team to a 29-0 victory.

In the first two league games, Muir was blanked 13-0 by the Hoover Cyclones and 7-0 by the Burbank Bullpups. In both games, the offense lacked scoring punch.

The next "B" clash was a non-league tilt with El Monte. Strong defense, fumbles and interceptions thwarted every drive. A last-minute effort to push the ball over for a score was brought to a halt when the gun sounded with the score, 0-0.

Facing the Colts in the next three league games were Crescenta, Burroughs and Glendale. Again the Colts failed to get their offense in gear as the Falcons clawed the Colts into submission, 27-0, and the Papooses scalped them, 39-6. Jesse McNeil scored the only TD for Muir in these two games by dashing 63 yards against Burroughs. The Glendale game was a seesawing affair with Glendale ending up on top, 25-19. The final game of the season pitted the Colts against PHS. The Colts penetrated into enemy territory only once as the Bullpups dominated the play, chewing out a 12-0 victory.

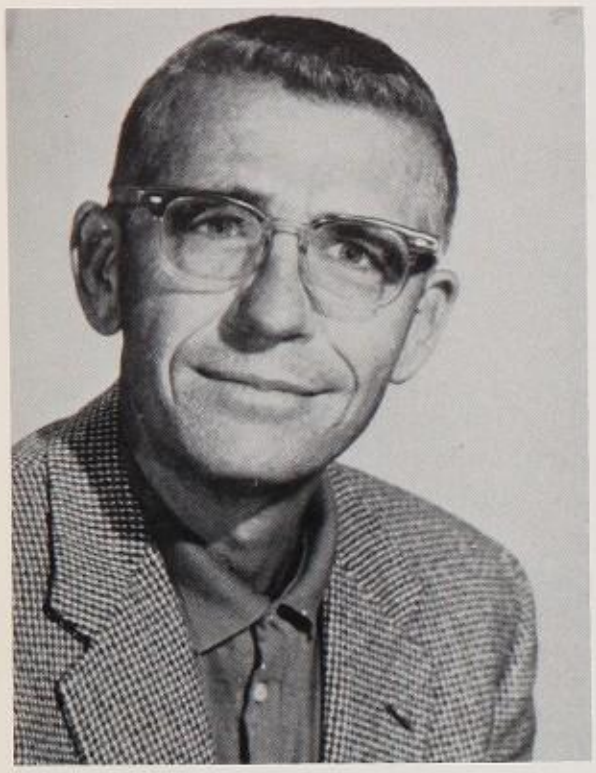
# Junior Varsity Again



PETER PAPPAS
JV Coach

Muir's fighting junior varsity football team won their second straight Foothill League Title in the last two years with a 6-0 league record.

Under the direction of Coach Pete Pappas, the "JV's", led by Gil Blades, Willie Campbell, and Hank Dorn, plus a rugged line, made mince-meat of the Foothill League teams, including a 20-7 triumph over the Bulldogs of Pasadena High.

Off to a slow start by losing their first two non-league games to Pacific and Centennial, the "JV's" rebounded with victories over Hoover and Burbank before losing their bye-date tift to Arcadia. Crescenta was routed and Burroughs nipped as the Muir Machine regained its momentum, and Glendale became Muir's fifth victim to set the stage for the championship game with PHS as the Bulldogs were also undefeated in league play. Muir surprised the odds-makers and trounced the stunned Pasadenans, 20-7 on their own field.

BILL LEVEILLE
Varsity Coach

Coach Bill Leveille's varsity basketball team recorded a 7-14 season mark. In the rugged Foothill League, the Mustangs could do no better than win two games while dropping ten. Though the squad had a losing season, their record is no indication of the type of ball they played.

In the first three league games, the basketeers lost all three by a total of seven points, getting beaten in the last seconds, 60-55, by Burroughs. The Mustangs also gave CIF-rated Pasadena a strong battle, staying within four points of them until midway through the fourth quarter. After losing their first five games, the team did an about face and took their next two games, beating Burbank 60-59 and smashing Hoover 74-49.

The team was led by Senior Guard Larry Comas, who scored a total of 282 points and compiled a 13.43 average, and Captain Jim Thwing, who hit for a 8.90 average. Jon Lewis, Karl Bernhard and Leon Conerly comprised the rest of the starting five. Bill Weigel and Brian Nelson capably backed up the first team.

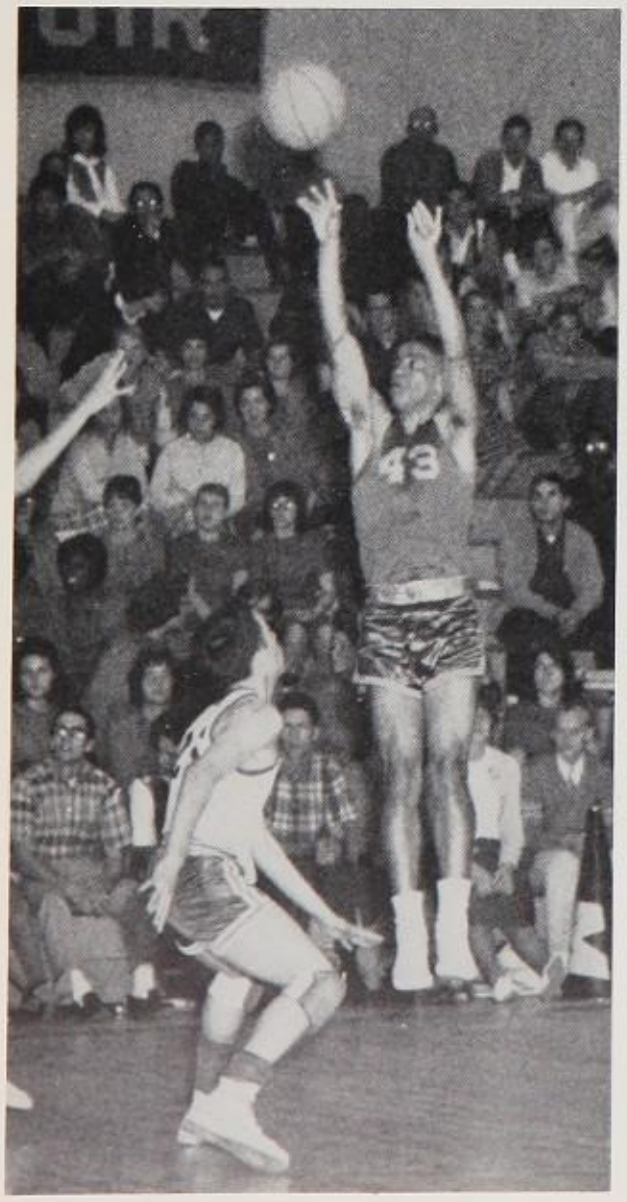
# Fighting Colt Cagers Break Even As

GUARD BENNY OSEGUERA cans a two-pointer against Burbank.



Going into the last three games of the season Coach Walt Smith's "B" basketball team looked as if it would capture its first league title in many a year. Then the cagers faded in the stretch, dropped the final three contests, and finished out of the running with a 6-6 league record and a 9-9 record overall.

The disappointing finish failed to dim the sparkling play of Danny Johnson, who wound up the season with 370 points, and Walt Ellis, who ended with 248. Johnson led Muir to a breathless 80-78 win over arch-rival Pasadena as he burned the nets for 28 points, his highest output of the season. Ellis was the team sparkplug throughout the year and scored most of his points when they were needed to determine a contest.

# CIF-Championship Track Team Heads

Numerous school record breaking performances highlighted the 1964 Muir track season. As defending CIF Southern Section and Foothill League champions, their early meets included a 65-39 rout of powerful Long Beach Poly and complete domination of the 23rd annual Pasadena Games by scoring 69 points.

In sprinting events the Muir thinclads were led by Junior Harold Busby, who blazed to numerous 100 and 220 wins in times of 9.8 seconds and 21.4 seconds, respectively. Another outstanding runner was Alex Whittle who broke the seven-year-old school record in the mile and consistently turned in times around the 4:17 mark.

Mustang chances in every meet were improved by the presence of their hurdling trio of Monroe Ellis, Greg Hines and Junior Gilbert Blades. Ellis was particularly effective in the 120-yard highs, while Blades showed well in the 180 lows.

Field event competition was highlighted by the school record breaking tosses of Tim Kearin in the shot put. Tim broke his own school mark several times and led Muir into CIF playoff action with heaves of over 60 feet. Another bright spot was the broad jump where school record holder Craig Vaughan was one of the top performers in CIF with leaps of over 23 feet consistently.

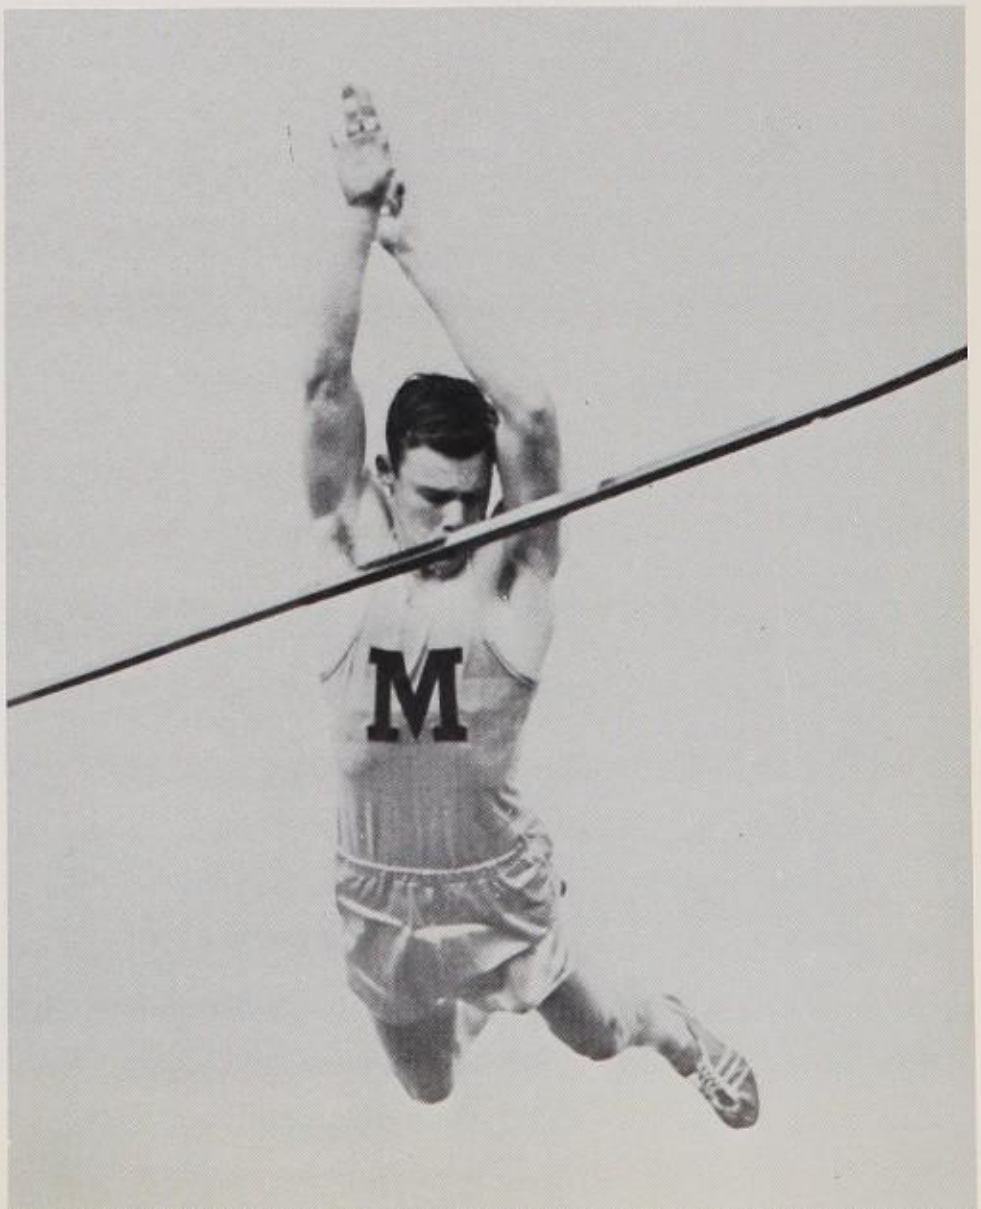
In the pole vault the school record fell in the first meet of the year to Larry Bell who cleared 13 feet, 1¼ inches. Backing up Bell was Charles Howard with vaults also around the 13-foot mark.

VARSITY TRACK TEAM, ROW 1: Quarton, Toledo, Townsend, Frey, Gomez, Bias, D. Smith, Johnson, C. Lynche, Blades, B. Smith, Brooks, Allen, E. Hines, Hogue. ROW 2: Howard, Heglar, Carpenter, A. Smith, Whittle, Bagby, Streetz, D. Riddle, G. Hines, Trammell, Vaughan, Campbell, Busby, Bell, mgr.; Sabayin, Littlejohn, D. Smith, Conerly, Akins, Brink, Pritchett, Gauthier, Ellis, Tolley, Casebeer, Kearin, Robbins, Singer, Butts, Whitmore. Champion tracksters turned in consistent performances.

# for 2nd Title Bid

MILER GREG BAGBY finishes in first meet of the season against Riverside Poly.

LARRY BELL ERASES school pole vault mark as he clears 13 feet, 1¼ inches.



MIGHTY TIM KEARIN heaves the shot in the Pasadena Games. Tim won with an effort of 60 feet, 10¼ inches to surpass the school mark.

FLEET MONNIE ELLIS, Muir's top high hurdler, clears barrier on his way to another first place.

# Old Records Fall

MACEO HOGUE HUSTLES to maintain his lead in the 440-yard run in the Pasadena Games.

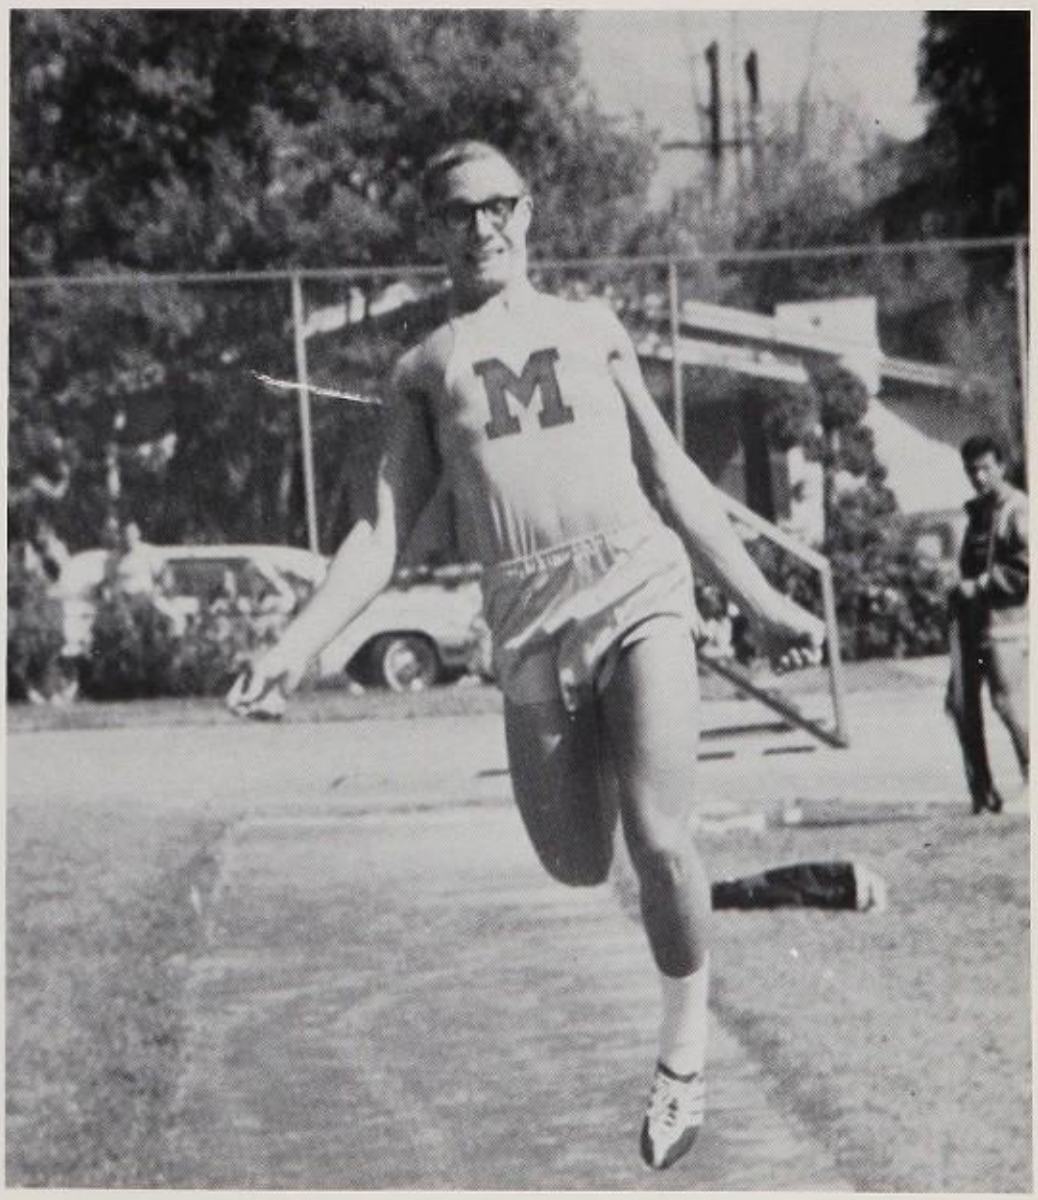
HURDLER GREG HINES, who was outstanding for Muir in the 120-highs and 180-lows, heads for the tape in Pasadena Games.

ALEX WHITTLE SURPASSED the school record in the mile run with a 4:17.3 clocking.

# as Mighty Mustangs Roll On to CIF

MIKE JOHNSON CLEARS the bar on his way to a first place in the Pasadena Games.

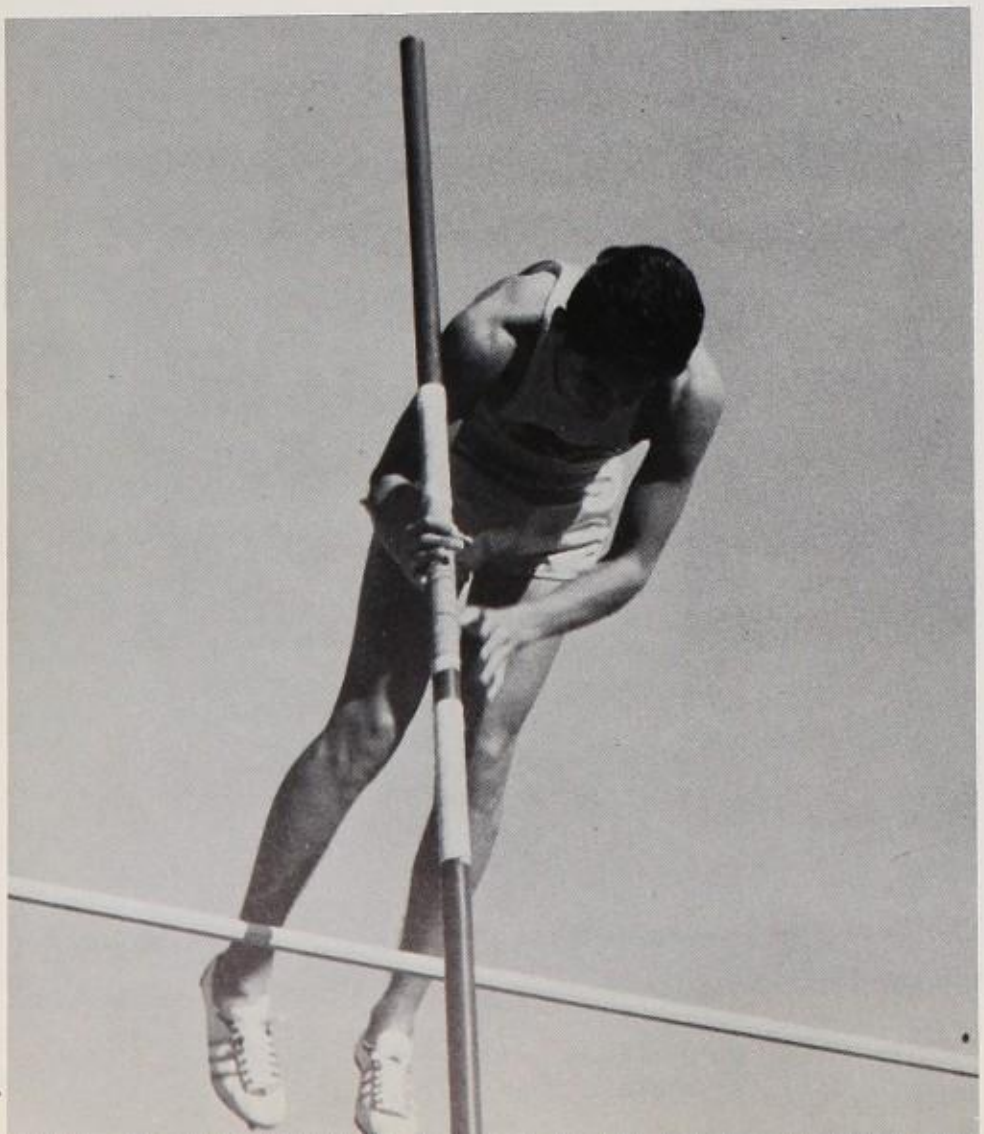
SCHOOL RECORD-HOLDER Craig Vaughan displays winning form which consistently won him firsts.



# Classy "B" Cindermen Develop Skill

"B," "C" TRACK SQUADS, ROW 1: Mgr. Miyazaki, Wells, Richey, Garrett, Boling, O'Neil, Owen, McFadden, Davis, Riddle, N. Johnson, Coe, Nyerges. ROW 2: Jordan, Magalanes, S. Johnson, Batson, T. Smith, Larsuel, Blades, Black, Gutierrez, Frances, Caruthers, Hatakayama, Mgr. Jackson. ROW 3: Mgr. Murphy, R. Davis, Neely, Tandey, Campbell, Bias, Brown, Hull, Abram, Thielacker, Weinstock, Hunt, Butler, Paine, Ross, Brown, Waters, Washington, Moss, Cheatwood.

FLOYD TOLEDO CLEARS 13 feet to set a new school record.



Muir's defense of their 1963 Foothill League track championship was led this year by Carlos Lynche who consistently blazed to 100 and 220 wins for the Colts. Backing up Lynche was Eric Hines who also placed often in the sprint events.

Another bright spot for the "B" spikers was pole vaulter Floyd Toledo, who cleared 13 feet in the Pasadena Games to set a new school record. Harvey Richie was the number one Colt hurdler and the relay team, led by Lynche and Hines was unbeaten throughout League competition.

# for Future Season

ERIC HINES OUTDISTANCES his opposition in the 100-yard run. Hines was a top performer for the "B's" during season play.

CARLOS LYNCHE HITS the tape at the end of the class "B" relay at the Pasadena Games at which Muir took first place.

TONY CARUTHERS SETS a record in the "C" hurdles with an outstanding time of 13.7.

# "C's" Take Foothill League Crown

ANCHOR DENNIS McFADDEN records a time of 45.6 for the "C" relay team in Pasadena Games.

Coach Burt Kanner's "C" track team defended their League crown behind the stellar sprinting of Dennis McFadden who often won the 100 and 180-yard dashes.

Also Niles Garrett led Muir in the broad jump and consistently placed in the 100 and 180.

James O'Neil was number one man for the "C's" in the high jump and Mike Carruthers paced all comers in the hurdle events throughout the season.

In the Pasadena Games, the "C's" took first place among all the other schools invited, scoring more points than the second and third teams combined.

JAMES O'NEIL CLEARS 5 feet, 10 inches on this jump to record a first place.

# Harriers Place Second in League

WHITTLE DEMONSTRATES FORM that brought him top honors in Foothill League.

John Muir's Cross Country team, led by Alex Whittle and Greg Bagby, turned in a very successful season. The Mustang harriers placed first in dual meets, second in Foothill League finals and sixth in CIF competition. Whittle won individual honors by taking first place in all dual meets, third in League finals and fifth place in Southern California. Other runners Steve Frey, Vincent Gomez, and Gary Quarton picked up valuable points when they were needed.

# Hustle—Spark Winning Baseball

Muir's fine pitching staff, led by two returning varsity hurlers of last season, can safely be said to deserve a modest share of the credit for this year's successes. Paul Click and Chase Gregory are this season's top chuckers, and they are ably backed up by Jim Tuttle, a junior, and Brian Nelson, who starts regularly at first base.

Moreover, the team's all-around hustle has made up for lapses occurring occasionally in the hitting and fielding department. The Mustangs frequently won ball games by merely out-hustling their opponents on the field.

Providing most of the hitting punch was Shortstop Phil Johnson, who was probably the fastest man on the team. Phil finished pre-league play with a .524 slugging percentage.

Darrell Evans, a junior, returned to his starting position at third and bolstered the offensive attack with his big bat. Rounding out the infield at second were Dick Itaya, Pete Richardson and Henry Sharp, who have all shared the keystone duties.

DICK SUGITA HOLDS a rare iron cross on the rings.

Muir's top ranking gymnastic team was sparked to victory by the unceasing efforts of the new gym coach, Ben Steelhead, and finished third in CIF standings.

Leading the pack of new sophomores were George Greenfield and Steve Langdon, who excelled in tumbling. The team was greatly aided by sophomores John Nelson and Rich Ward who specialized in the side horse and parallel bars, respectively.

Junior Randy Megee, climbing spectacularly on the rope, and Dave Johnson and Mark Peacock on the rings show exceptional promise for next year's team.

Dave Burton, with his perfected free X routines, George Greenfield in tumbling, and Gary Wullschlager on the long horse gave Muir the necessary points to finish third or better in the invitationals.

SENIOR STEVE BROWN

Muir's varsity netters, under the direction of Wally Calvert in his first year of coaching, entered the tough Foothill League after an unblemished pre-season schedule.

Led by returning lettermen Junior Nat Pitts, Seniors Pat Whitlach, Gary Klein, Steve Brown and first-year Senior Rick Rayburn, the Muir singles men had no trouble in crushing all non-league foes. Playing doubles and winning most matches were returning racketeers Dick Rockwell - John Kepler, Alex Crowly - John Thomas, and Bob McClure-Ron Bank.

Entering the Foothill League battle, Muir, Glendale and Pasadena's Bulldogs were top contenders.

# and Onto the Green

Behind the steady play of First Man Terry Komatsu and Phil Vaughan, Muir's varsity golfers maintained their nearly spotless record, despite the loss of some of last year's top men through graduation.

Under the guidance of Coach Walt Smith, whose linksters have lost only one League match in five seasons, Muir Golfers were top contenders for the Foothill League crown, which they captured last year.

Although heavy winds threw competition into late-season play, the team made a real show. Backing up Komatsu and Vaughan on the varsity team were Bill Madson, Ted Gruehl and Chuck Strother.

WALT CULBERTSON
Water Sports Coach

Muir's varsity and "B" swimming teams, coached by Walt Culbertson, enjoyed their first full season in the recently completed pool area in the new gym.

The varsity recorded a so-so season depending mostly on returning talent from last year's dry-land swimming squads. Larry Naeve paced varsity swimmers in the 200 and 400 freestyle events. Mike Freeman did exceptionally well in the shot distance freestyles of 50 and 100 yards. He was backed up in the 100 by Alan Hardey.

A red-hot prospect for next season as well as this season is Doug Morgan in the 100-yard back stroke. Doug was the second best backstroke swimmer in Foothill League this year as a junior.

EARL DANIELS COMPETES in the 100-yard butterfly against Crescenta.

# New Fall Sport, Water Polo, Invades Muir . . .

With the addition of the new swimming pools to Mustang sports activity, Muirites have found themselves engaged in new variations of water sports. One new sport to come to Muir has been waterpolo which entered the athletic department during the recent 1963 fall season.

Having trouble in adapting to this new sport was to be expected as the varsity won but few games. The "B's," however, gave Muir a pleasant surprise and took third place in the Foothill League.

Larry Naeve was voted outstanding varsity player and along with Dave Wilson, who played superbly at goalie, led the team through thick and thin. Rounding out the starting team was Jeff Meinhart, Doug Morgan, Terry Beckham, Sam Bell and Dave Heck.

# Focus on Graduation

As the seniors in the Class of '64 focus their futures upon the greater responsibilities of life, they take with them many memories — experiencing the excitement of a game well-played, the anxiety of an approaching test or the tension at the presentation of the Homecoming Queen. Striving for perfection in personal achievement and the ultimate goal of team success, the Class of '64 demonstrated its enthusiasm and accomplishments by tying the record of National Merit Scholarship finalists as well as reaching an all time high in participation, originality and spirit. A senior will not forget these things, but look back upon them with pride.

With happy memories of her past three years at Muir, this senior girl leaves her Alma Mater to face the challenges of the new world.

# Seniors Elect

Each year it has been a tradition for the seniors to select members in their class who are outstanding in various areas. Voting is carried on in the senior basic classes. Each student elects one boy and girl for each specified category, and the ballots are turned in and tallied.

# Blue and Gold All Hail

# . . . that he will not have died in vain

*Experience of recent years has demonstrated that the nature of the future cannot be fully determined. We find ourselves at turning points not only as individuals, but on a worldwide scale, and are learning slowly that we must focus our lives on truth, benefiting from past experiences, enjoying everyday happiness and learning what we can from tragedy.*

*President John Fitzgerald Kennedy has died. Even though he had not done all that he had hoped to do, finished all that he had so well begun, he did give to the nation a new sense of itself — a new spirit, a new style, a new conception of its role and destiny. He saw America, not as an old nation, self-righteous, conservative, satisfied in its materialism, but as a young nation, questing, self-critical, dissatisfied, caring for greatness as well as for bigness; caring for the qualities of mind, sensibility and spirit which sustain culture, produce art and elevate society.*

*We mourn for the remarkable, astringent candor so rare in public men; the gaiety, the elegance, the graces he and his family brought into the White House; the man about whom historians may long debate, arguing whether the courage shown in the confrontations with Russia was less or more memorable than the compassion shown in introducing to the American Congress its first legislation to care for the ills of age, the troubles of youth, the hopelessness of the unskilled, the humiliation of its darker citizens. John F. Kennedy loved the noble art of politics, which is the government of men. Intelligence was the keynote of his short presidency, and with it came a style, flair and excitement which had not been seen in the office for many years. He grasped problems quickly, the great and little, and with the help of his high-caliber team, was a master of every detail. Beautifully equipped for the presidency, he acknowledged the responsibility to do something about "all the problems which if I were not the President I would be concerned about as a father or citizen."*

*The President's violent and tragic death brought to American citizens the revelation of the tremendous respect he commanded. It was borne home that they had in Kennedy a more remarkable and courageous President than they had understood; but more than that, he was a leader of peace. With the death of this peace-loving man came the extraordinary spectacle of foreign leaders united in peace to honor the man who would have so loved to see the world joined together in common feeling.*

*We are able to serve his memory best by focusing our thoughts and futures upon the virtues for which he stood — decency, rationality, civility and honor. If we can but learn from his life and death the really important values upon which to focus our lives, John Fitzgerald Kennedy will not have died in vain.*

# Editor Acknowledges Efforts

As the Hoofbeat production year closes, I would like to acknowledge the many people who, in generously contributing of their time and talent, have made my job as editor a pleasant and meaningful experience.

Mrs. Burns, you've been a wonderful advisor: an inspiration for us all. What would we have done without your calm presence and encouraging words during the January disaster. Harcourt, credit goes to you for designing the new Muir seal. Special thanks, too, for opening your home for those lively workshops. Pam, you've been such a dependable photo editor! Those trips to the lab and D&T were really appreciated. Senior ID's, running heads, or indexes, no matter what the job, Nan, you handled it so well. And Chris, your copy, especially that wonderful closing theme, was commendable. "Put a rush on this picture, revise this headline" . . . sound familiar Ingie and Sue? Thanks to both of you for all that you have done. Bill and Dave, congratulations on your fine work under pressured and trying circumstances. The sports section is one of the best ever. To graduating staff members, Brian, Darrell, Diane, Dianne, your enthusiastic, thorough efforts are sincerely appreciated. Underclassmen, Carol, Jean, Mel, Paula, Rusty, Sandie, Scotti, Sugi, your fabulous layouts and perky personalities were gratefully received, especially during the last tedious days.

Two of the nicest guys are Mr. Turney and Mr. Dunlap, better known as D&T. Stepping in on such short notice to shoot club pictures was something for which we are greatly indebted. Mr. Ford and photo clan, thank you for all the time that you have given to yearbook. Mr. Hubbell, Taylor's representative, your assistance and suggestions have been helpful in Hoofbeat production.

Each of us on the Hoofbeat staff has gained something of individual significance from the challenging experience in yearbook. Speaking for the staff, I hope that through this publication, all can focus upon some special moment from the short, happy days of high school life.
